Look At My Mouth An Amazing New Way To Learn The Alphabet:

Look at My Mouth Anna Gill, 2005 The most vital step in every child's early reading is to connect the movement of the mouth with the sounds of the alphabet This is such a simple concept but is fundamental to the development of reading *Look At My Mouth* is a world first a literacy mirror book which shows children this connection Children see their mouth in the mirror as they look at the pictures and make the sounds of the alphabet This awareness of mouth formations is essential for the development and understanding of different sounds and the vital step into school reading programs *Look At My Mouth* is also a great way to identify early speech difficulties so they can be helped at the earliest stages Anna Gill is a Sydney based linguistics teacher who has taught speech development and literacy in NSW primary schools Her specialist area is pre reading and early intervention with speech and reading difficulties

The View from Lazy Point Carl Safina, 2011-01-04 An exhilarating journey of natural renewal through a year with MacArthur fellow Carl Safina Beginning in his kayak in his home waters of eastern Long Island Carl Safina's *The View from Lazy Point* takes us through the four seasons to the four points of the compass from the high Arctic south to Antarctica across the warm belly of the tropics from the Caribbean to the west Pacific then home again We meet Eskimos whose way of life is melting away explore a secret global seed vault hidden above the Arctic Circle investigate dilemmas facing foraging bears and breeding penguins and sail to formerly devastated reefs that are resurrecting as fish graze the corals algae free Each time science tightens a coil in the slack of our understanding Safina writes it elaborates its fundamental discovery connection He shows how problems of the environment drive very real matters of human justice well being and our prospects for peace In Safina's hands nature's continuous renewal points toward our future His lively stories grant new insights into how our world is changing and what our response ought to be
