date encyclopedia will be a welcome acquisition for a new generation of food lovers *CD-ROMs in Print*, 2002 *Getting Sauced* Karen S. Katz, 2024-06-04 Karen Katz's memoir *Getting Sauced* is a fascinating flavor-filled journey from humble culinary beginnings to the glittering and intense world of high profile cooking shows. As executive producer of *Emeril Live* during its glory days, Karen Katz witnessed all the backstage chaos, drama, and intrigue as the show's growing pains were splayed out like a butterflied leg of lamb. Her memoir *Getting Sauced* goes behind the scenes in the wild world of food television production to give the reader a seat at the VIP table as she shares the dish behind each dish. But her story isn't a straight line from culinary school to cooking show producer. Karen grew up in Long Island, the daughter of a woman who thought that a combination of Lipton Soup Mix and orange juice made the best basting liquid. Her journey from Mrs. Paul's Fish Sticks to Michelin star dinners takes the audience along for a glutton to glamour ride from Sunday family take outs of Moo Goo Gai Pan to the Swiss Alps for spit-roasted wild boar and eventually into the Food Network kitchens where she learned all the secrets of how to prep a turducken for television. Along the way, she encounters a culinary Who's Who: Emeril Lagasse, Julia Child, Bobby Flay, Susan Feniger, Jacques Pepin, Jean Georges Vongerichten, Buddy Valastro, Martha Stewart, and more to name a few. Each in their own way taught Karen not only how to cook but how to cook with love and enthusiasm.

Talking Book Topics, 1993 *Vegetarian Times*, 1996-01 To do what no other magazine does: Deliver simple, delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both. **The Table Comes First** Adam Gopnik, 2011-10-25 Transplanted Canadian New Yorker writer and author of *Paris to the Moon*, Gopnik is publishing this major new work of narrative non-fiction alongside his 2011 Massey Lecture. An illuminating, beguiling tour of the morals and manners of our present food manias in search of eating's deeper truths, asking: Where do we go from here? Never before have so many North Americans cared so much about food. But much of our attention to it tends towards grim calculation: what protein is best, how much social preening I can always score, the last reservation at xxxxx, or graphic machismo: watch me eat this now. Gopnik shows we are not the first food fetishists but we are losing sight of a timeless truth: the table comes first. What goes on around the table matters as much to life as what we put on the table. Families come together or break apart over the table. Conversations across the simplest or grandest board can change the world. Pain and romance unfold around it. All this is more essential to our lives than the provenance of any zucchini or the road it travelled to reach us. Whatever dilemmas we may face as omnivores, how not what we eat ultimately defines our society. Gathering people and places drawn from a quarter-century's reporting in North America and France, *The Table Comes First* marks the beginning of a new conversation about the way we eat now.
