Wild Oats and Other Works of James Oppenheim James Oppenheim, Sweet Edith Just seventeen seventeen years in the heart of the deep city and yet a simple and innocent and quiet life Public school shorthand school the job in the clothing business her few friends her two brothers her ailing mother She had had a taste of theater she had gone to night school she sometimes attended a lecture or a meeting of the people at Cooper Union But thus far though the wild city whirled like a cyclone about her with its Broadway its Bowery its crime and commerce its toil and struggle and tragicomedy of millions of living people Edith had lived in the quiet center of the storm a life immured innocent and had grown naturally as flower unfolding from bud She was at the perilous age From unconscious childhood she had emerged and found that she too was a miracle a human being capable of the depths and heights of life packed with all sweet possibilities All the world was new a wonder was everywhere Romance lurked in familiar corners transfiguring them Anything might break open in her heart now and sweep her with the passions that drive a life to divine heights or ruin it Sweet Edith There she was that young Spring morning living breathing hurrying through the crowds of children innocent as they fresh as a new wild rose light on her feet and full of the yearning fire of the blue Can t you see her her little blue hat stuck with a black feather her bending blue eyed face her lithe little body gracefully gliding through the cool air Surely she was made for happiness for motherhood and home and all the quiet round of human life She turned into shining Grand Street she walked down the street to a tall loft building entered climbed a flight of stairs and pushed open a door into the factory There in twilight were the garment makers stitching cutting and crazily racing the machines She passed through the hubbub to the front opened a door of a partition and stepped into the offices There were four of these partitioned from each other and connected by doors The center one was the show room with large oak table and racks Two young men were chatting at the open window and gazing down at the street Edith did not notice them but passed into the adjoining office took off hat and coat opened the window pulled the cover from the typewriter and set to work busily cleaning the machine The hum of the young men s voices reached her but she paid no heed to their words The young men were chatting amiably One of them was Frank Lasser the new traveling salesman territory Pennsylvania a smartly dressed fellow almost insolently handsome He had large black eyes a little brown mustache

and black hair smoothly plastered on a high forehead His chin was weak He spoke volubly and cynically His companion was Jonas Zug salesman for New York State young but almost bald As they talked trade and territory a barrel organ in the street below loosed a wild waltz music The young men leaned out of the window Four little school girls had handed their books to others and were dancing in the center of an absorbed circle of people They executed not a waltz but a wild street dance passionate swift their whole bodies playing rhythmically One forgot tattered shoes and torn aprons and thin cheeks so wild a magic was wrought by the dance All the fresh glory of the morning all the yearning and fire of the sun and the air seemed to pulse through the world from them *Septimus (EasyRead Comfort Edition)* William John Locke,2019 *The Masks of Hamlet* Marvin Rosenberg,1992 Every reader is an actor according to Rosenberg To prepare the actor reader for insights Rosenberg draws on major interpretations of the play worldwide in theatre and in criticism wherever possible from the first known performances to the present day The book is rich and provocative on every question about the play *Dancing Shoes* Noel Streatfeild,2018-11-06 A beautiful gift edition of the beloved classic about two orphan sisters and their newfound love of theater and dance After losing their mother Rachel and her adopted sister Hilary move in with their aunt Cora Wintle Cora runs a dancing school in London and she thinks that Hilary would be perfect for her dancing troupe Wintle s Little Wonders The only problem is that Hilary might be as good as Cora s own precious daughter Dulcie Still Cora is determined to make sulky Rachel and sprightly Hilary members of her dance troupe But Rachel doesn t want to be a Little Wonder She can t dance and feels silly in her the ruffly costume Nothing seems to be going as planned until Rachel discovers her talent for acting This classic children s book is perfect for kids who dream of being on stage whether it be dancing or acting And don t miss the other classic Noel Streatfeild titles Ballet Shoes Skating Shoes and Theater Shoes *The Love of Impermanent Things* Mary Rose O'Reilley,2006 At midlife Mary Rose O Reilley reflects on her past and her hard won sense of self She is determined now not to sacrifice or waste her self She has struggled for years along the paths set by her suburban childhood her Catholic upbringing her failed marriage and the mute duties of daughterhood Now she is trying to see the world through the eyes of the deer that stop outside her window and look in at her As a wildlife rehabilitator she feels a closer connection to the natural world as experienced by animals As an apprentice potter she sees in a Japanese tea bowl the ultimate balance of action and contemplation As a Quaker she can both sit still and sing And as a writer O Reilley can speak clearly to readers at midlife who are expected to know it all but don t *With the World's Great Travelers (Vol. 1-4)* Various,2021-08-21 The preface of this book tells that even though voyages are called mere trips distant lands didn t get more familiar As the world became more open and voyages more often the differences between foreign lands and continents became more evident as ever This truth remains topical even today 120 years after these words were put down on paper Now With the World s Great Travelers lets you make a personal voyage through distance and time and see the most outstanding example of travel history in the world s literature The book consists of essays by multiple authors like Edward A Pollard a notable American Journalist

Charles Darwin a famous scientist Meriwether Lewis a renowned explorer one of the leaders of the Lewis and Clark Expedition William Howard Russell the most celebrated foreign journalist in America during the times of the Civil War and many others This work gives a deep insight into how the world and traveling looked a century ago
