A Prescription for Long-Lasting Youth Dian Jen, 2006-02-17 After thirty eight years working in the computer industry Dian has found retirement to be surprisingly exciting and fun Besides traveling cruising and casino hopping he and his wife also enjoy many other good things their retired life has to offer However everywhere they went they saw seniors struggling with their poor health and disabilities It made them realize how fortunate they are that at their age they still have excellent health Obviously the decision they made earlier in life that put health as an equally important goal as wealth for their retirement was a wise one and it made all the difference In addition they also have no illness or handicaps of any kind and are not dependent on any mandatory medications This is why even in their seventies they are still able to do all the fun things they used to do in their younger years Furthermore Dian had a very successful career Like others he dealt with

cutthroat competition under unrelenting stresses in his profession yet still managed to stay on top without sacrificing his good health He did this by choosing to live a healthy lifestyle that included regular vigorous exercise a healthy diet sufficient rest and recovery and an active sex life four parts of his prescription for long lasting youth That is the secret of how he has managed to stay totally fit at over seventy and still looks and feels like an extremely fit young man twenty years younger This is what he shares with the readers plus the fun filled lifestyle that he and his wife now enjoy living in retirement Dian associates real life scenarios some of them with multicultural background to address many interesting but relevant issues concerning retirement sex life health and fitness and the positive impact living a healthy lifestyle can have on our aging process As part of the conclusion Dian said What I described as my prescription for long lasting youth is at best a strong personal belief but one that seems to have promising merits and supported by my personal experience to this date Although it has made a believer out of me it will take my lifetime to prove it and that could be a very very long time too long for you to wait for it even if you could afford to So why not just join me and give it a try What have you got to lose your life

Overcoming Emotional Baggage Gladys Famoriyo, 2012-05-17 In her debut book Gladys Famoriyo fearlessly tackles the growing issue of women carrying emotional baggage. It is a fact: On our journeys in life we all experience challenges or situations that may result in hurt, pain, disappointment, grief, and separation, leaving many of us emotionally battered, bruised, and wounded. Often busy with our endless to-do lists, hats to wear, goals, and busy schedules, many of us opt to bury our heads in the sand, trying our best to get on with life. To hide our issues, we wear a mask, try to look the part, and show up each day. To cope, we adopt precarious coping methods, e.g., comfort eating, retail therapy, busyness, drugs, alcohol, sex, etc. So it is no surprise many of us are falling apart at the seams. Like Gladys experienced, you might look successful on the outside, seemingly having your act together. But the fact is your unresolved issues are sabotaging the great stuff in your life. Each day you show up, they show up too. Unbeknownst to you, they are calling the shots of your life, influencing your decisions and choices to mention a few. And so Overcoming Emotional Baggage has been written for women who quite frankly want to ditch their baggage for good. Overcoming Emotional Baggage will help you:

1. Become consistently aware of your emotional state and its impact on your life.
2. Live a more abundant and balanced life.
3. Start you on your journey to tackling self-defeating, unhealthy, and/or self-destructive attitudes, beliefs, and behaviours.
4. Get rid of inner turmoil and conflict.

Overcoming Emotional Baggage is a superb book packed with practical, no-nonsense insights, Christian principles, and teaching along with exercises. Applicable for individual use or small groups, Overcoming Emotional Baggage promotes emotional restoration, wellbeing, and baggage-free living.
