Medieval Art and the Look of Silent Film Lora Ann Sigler,2019-06-20 The heyday of silent film soon became quaint with the arrival of talkies As early as 1929 critics and historians were writing of the period as though it were the distant past Much of the literature on the silent era focuses on its filmic art ambiance and psychological depth the splendor of the sets and costumes yet overlooks the inspiration behind these This book explores the Middle Ages as the prevailing influence on costume and set design in silent film and a force in fashion and architecture of the era In the wake of World War I designers overthrew the artifice of prewar style and manners and drew upon what seemed a nobler purer age to create an ambiance that reflected higher ideals

The Look of Love Jill Egizii,2010-01-07 A story of divorce and its aftermath Touching the knowledge readers can gain from this novel is profound heart warming and compelling Chick Lit Plus Anna the wife of a prominent local attorney has decided enough is enough After nearly twenty years of marriage she realizes she must get free from her controlling spouse In the process she loses the only thing that made escaping worthwhile her children Despite their joint custody agreement her ex uses his wiles wealth and legal experience to exile Anna from the family Her once normal relationships with her son and daughter mysteriously sour The system the law and her faith in herself all seem to fail her at the same time While facing the fight of her life Anna realizes the true meaning of friendship and love The emotions conveyed are quite real The confusion the anger the hope the grief the helplessness they all shine through and allow the reader a window through which to experience the reality of parental alienation although for many the reality is longer and less hopeful I think it has potential to find its way into unsuspecting hands and provide a pool side education about a very serious issue
