Look At You:

Cinematography: Theory and Practice Blain Brown, 2013-05-02 There's more to being a DP than holding a light meter. With this book as your guide you are on your way to learning not only about the equipment and technology but also about the concepts and thought processes that will enable you to shoot professionally efficiently and with artistic mastery. A leading book in the field, Cinematography has been translated into many languages and is a staple at the world's top film schools. Lavishly produced and illustrated, it covers the entire range of the profession. The book is not just a comprehensive guide to current professional practice; it goes beyond to explain the theory behind the practice so you understand how the rules came about and when it's appropriate to break them. In addition, directors will benefit from the book's focus on the body of knowledge they should share with their Director of Photography. Cinematography presents the basics and beyond, employing clear explanations of standard practice together with substantial illustrations and diagrams to reveal the real world of film production. Recognizing that professionals know when to break the rules and when to abide by them, this book discusses many examples of fresh ideas and experiments in cinematography. Covering the most up-to-date information on the film digital interface, new formats, the latest cranes and camera support, and other equipment, it also illustrates the classic tried and true methods.

The Way You Look Tonight Carlene Thompson, 1997-12-15 For Better. Deborah Robinson lived on a quiet street in a small town with her handsome husband and darling twins. It was the picture-perfect life until the day Deborah's husband vanished without a trace. Or For Worse. Before he disappeared, Steve had been on edge. When he told her he was distracted by work, Deborah is scared. She's heard about the sadistic murders of several local women and she can't shake the horrible feeling that the killings are somehow connected to Steve's disappearance. Until Death Do Us Part. Torn by guilt, tormented by suspicion, Deborah begins to delve into the shadowy secrets of her husband's past. What she finds will chill her to the bone. For Deborah no longer knows who or what her husband was. But she does know that someone is watching the Robinson house, someone who has ruthlessly killed and is only waiting for the perfect moment to strike again. Imagine

Yourself Well Sean F. Kelly, Reid J. Kelly, 1995-03-21 Imagine Yourself Well. Better Health through Self Hypnosis is a remarkable view of hypnotherapy as a scientifically recognized treatment art. Based upon their extensive practice and clinical research in therapeutic hypnotic techniques, the authors have constructed an effective handbook articulating the therapeutic use of hypnosis by depicting word for word what transpires during a session. The fascinating series of carefully worded transcripts of hypnotic exercises will enable the reader to correct specific self-destructive habits, e.g., overeating and smoking, common psychological problems, insomnia, and various phobias, chronic physical conditions, arthritis, back pain, high blood pressure, and migraine headaches, and performance anxieties, athletics, and public speaking. The theory underlying clinical practice, including the key point that all hypnosis involves self-hypnosis, is explained in lay terms, and each exercise is grounded in sound cognitive, behavioral, or psychodynamic principles.

Look Behind You Iris Johansen, Roy

Johansen,2017-07-18 1 New York Times bestselling author Iris Johansen and Edgar Award winning author Roy Johansen are back with Look Behind You a novel featuring Kendra Michaels hired gun for both the CIA and FBI THE KILLER IS IN HER SIGHTS AND ON HER TRAIL A serial killer is on the loose in San Diego with a most unusual M O With each kill the perpetrator leaves behind mystifying random objects In this confusing array of unrelated evidence the one thing that is clear is that the murders all have one characteristic in common they all require the specific skills of Kendra Michaels hired gun for both the CIA and FBI Kendra who was blind for the first twenty years of her life gained her sight through a revolutionary surgical procedure and now uses her acute powers of observation to assist in cases all over the United States FBI investigators soon make a startling discovery the left behind objects are actually souvenirs of other unsolved serial murder cases from around the country And the new crimes feature holdback characteristics never disclosed to the general public meaning that one single killer was behind the nation s most notorious serial murder cases and has now come to challenge and taunt Kendra The investigators a dream team of profilers join Kendra in the pursuit but as the body count rises and the detectives themselves become the newest targets Kendra must risk everything to defeat a psychopath whose terrifying plan is years in the making **As You Look** Verónica Gutiérrez,2020-03-17 Former LAPD cop turned private investigator

Yolanda vila blames herself for her mother s death If she d only followed her cop instincts instead of the juju her random prophetic dreams the perpetrator would have been off the streets and her mother would still be alive The only salve against her guilt is Yolanda s vow to reject that juju crap and to solve cases using only good solid detective work But when her godson is kidnapped and his parents are suspected of murder Yolanda finds herself caught between what she feels and what she knows And with the escalation of the case comes the escalation of her dreams Until she can no longer ignore their importance If she wants to overcome the guilt and deal with her pent up grief Yolanda must confront the juju and learn to trust its place in her life If she doesn t she risks losing yet another loved one And she can t possibly let that happen A Yolanda vila Mystery **The Last Place You Look** Kristen Lepionka,2024-07-02 A remarkably accomplished debut mystery with

sensitive character development and a heart stopping denouement Booklist starred review Nobody knows what happened to Sarah Cook The beautiful blonde teenager disappeared fifteen years ago the same night her parents were brutally murdered in their suburban Ohio home Her boyfriend Brad Stockton black and from the wrong side of the tracks was convicted of the murders and is now on death row Though he s maintained his innocence all along the clock is running out His execution is only weeks away when his sister insists she spied Sarah at an area gas station Willing to try anything she hires PI Roxane Weary to look into the case Brad might be in a bad way but private investigator Roxane Weary isn t doing so hot herself Still reeling from the recent death of her cop father in the line of duty her main way of dealing with her grief has been working as little and drinking as much as possible But Roxane finds herself drawn in to the story of Sarah s vanishing act especially when she links the disappearance to one of her father s unsolved murder cases involving another teen girl The stakes get

higher as Roxane discovers that the two girls may not be the only beautiful blonde teenagers who've turned up missing or dead. As her investigation gets darker and darker, Roxane will have to risk everything to find the truth. Lepionka has created an appealing, relatable lead.
