Look Im Growing Up:

Growing Up in Central Australia Ute Eickelkamp, 2011-06-01 Surprisingly little research has been carried out about how Australian Aboriginal children and teenagers experience life shape their social world and imagine the future This volume presents recent and original studies of life experiences outside the institutional settings of childcare and education of those growing up in contemporary Central Australia or with strong links to the region Focusing on the remote communities roughly 1 200 across the continent the volume includes case studies of language and family life in small country towns and urban contexts These studies expertly show that forms of consciousness have changed enormously over the last hundred years for Indigenous societies more so than for the rest of Australia yet equally notable are the continuities across generations **Im Not Perfect- Im Pretty** Ceiarra Scott, 2018-08-11 The purpose of this book is to identify my idea of perfection I want to give the people that I motivate the truth I want to give you a brief glimpse inside the life of me where I come from and how I became the way I am today I always tell people that I don t look like what I ve been through I want my audience to really pay attention to my story and find the true honest and real background of Ceiarra Marie Scott Better Now Than Forever Shelley Tan, 2023-01-01 Char thought she had a perfect life She was married to a successful surgeon who was kind committed and willing to provide Char with anything that made her happy What made her happy besides her perfect marriage was her dressage horse Mystic never mind the cost And now that a new trainer was moving to Blue Ribbon from Hamburg Germany she would have the ability to take her dressage riding to the highest level possible With everything going so perfectly Char shouldn t have had any reason not to be happy But something had been missing in her relationship with Dr Kelley otherwise known around the hospital as Dr Dreamy and she couldn t figure out what it was When Char finally met Petra the new dressage trainer Char became more than just a little star struck She was quite frankly infatuated and wanted to spend every waking second at the barn and with her What was going on Char was afraid of the answer What would happen to her and her perfect life How would she be able to afford her privileged lifestyle and her horse including the dressage lessons that she had grown so accustomed to enjoying Perhaps she was simply going through a mid life crisis or was in awe of the new trainer from Germany Ultimately Char knew she must find out She became more afraid of not knowing than of what the truth might reveal **(Re)Mapping Migration and Education** , 2022-07-04 At a time of unprecedented human migration education can serve as critical space for examining how our society is changing and being changed by this global phenomenon This important and timely book focuses on methodological lenses to study how migration intersects with education In view of newer methodological propositions such as the reduction of participant researcher binaries along with newer technology allowing for mapping various forms of data the authors in this volume question the very legitimacy of traditional methods and attempt here to expose power relations and researcher assumptions that may hinder most methodological processes Authors raise innovative questions blur disciplinary lines and reinforce voice and agency of those
