Tapestry Jerry Carrier,2014-08-01 American culture is a rich and complex tapestry of colorful threads from at least five continents and in recent decades increased immigration has meant that the pace of change is accelerating It s time for us to get to know ourselves and really appreciate this rich vast and rapidly expanding culture This book explores the contributions of Hispanic Black Native American Oriental Jewish and other cultures to a nation where many people still focus on the influences of Christian capitalist and ethnically European particularly British heritage Written for a general audience Tapestry explores the myths of American culture and reveals surprising cultural roots including the fact that American democracy and representative government were inspired more by Native American ways than by the ancient Greeks and Romans Capitalism has become an unchallenged idea a cultural universal and so dogmatic that coupled with Christianity it has become America s dominant religion However capitalism is a 19th century concept created for the bygone industrial era Now the system is showing decay Unfortunately America is an ethnocentric country whose jingoistic belief in its own exceptionalism may prevent needed change American culture has been both inclusive and intolerant Today it stands at a crossroad and must decide what road to take Are we to enter a renaissance or a dark age *Deafening Modernism* Rebecca Sanchez,2015-10-02 Deafening Modernism tells the story of modernism from the perspective of Deaf critical insight Working

to develop a critical Deaf theory independent of identity based discourse Rebecca Sanchez excavates the intersections between Deaf and modernist studies She traces the ways that Deaf culture history linguistics and literature provide a vital and largely untapped resource for understanding the history of American language politics and the impact that history has had on modernist aesthetic production Discussing Deaf and disability studies in these unexpected contexts highlights the contributions the field can make to broader discussions of the intersections between images bodies and text Drawing on a range of methodological approaches including literary analysis and history linguistics ethics and queer cultural and film studies Sanchez sheds new light on texts by T S Eliot Ezra Pound Gertrude Stein William Carlos Williams Charlie Chaplin and many others By approaching modernism through the perspective of Deaf and disability studies Deafening Modernism reconceptualizes deafness as a critical modality enabling us to freshly engage topics we thought we knew
