Nigerian author Chimamanda Ngozi Adichie b 1977 is undoubtedly one of the most widely acclaimed African writers of the twenty first century Best known for her insightful fiction viral TED talks and essays on feminism she is also an outspoken intellectual As she puts it in an interview with Lia Grainger in her characteristically straightforward style I have things to say and I ll say them Conversations with Chimamanda Ngozi Adichie is the first collection of interviews with the writer Covering fifteen years of conversations the interviews start with the publication of Adichie s first novel Purple Hibiscus 2003 and end in late 2018 by which time Adichie had become one of the most prominent figures on the international literary scene As both scholars and passionate readers of the author s work are bound to find out the opinions shared by Adichie in interviews over the years coalesce into a fascinating portrait that presents both abiding features and gradual transformations Reflecting the political and emotional scope of Adichie s work the conversations contained in this volume cover a wide range of topics including colonialism race immigration and feminism Collectively these interviews testify both to the author s ardent wish to strive for a more just and equal world and to her deep interest in exploring our common humanity As Adichie says in her 2009 interview with Joshua Jelly Schapiro When people call me a novelist I say well yes I really think of myself as a storyteller This book invites Chimamanda Ngozi Adichie to tell her own literary story **Don't Look Back** Phil Servary,2012-08-28 This is a story that pulls at your heart It is my hope that children who read this book discover and appreciate the sacrifices their mom and or dad make for them every day To always have faith in God faith in their family and faith in themselves Curtis like all children seeks unconditional love This is his journey to find two special people to give him the gift that won t be found under any Christmas tree Curtis is adopted looks ahead to the next chapter in his life and doesn t look back **Body & Soul (Watertown, Mass.)** ,2003 **Silent Endurance** Kerri Thomas,2024-09-12 The hauntings happened to my own family members Many of these things happened to the kids the old lady in the closet being chased in the middle of the night or the red eyes Yes they really happened to the kids including the hooded figure In spite of my own experiences I cannot imagine the terror the children went through growing up I realize that I had no idea to the extent of things until one day we the children and I started talking about it It was terrifying and had a lifelong effect on them Being a writer though I naturally thought great book idea So with their consent and armed with our stories I have penned Silent Endurance Fathering Alistair Thomson,2025-08-13 The 21st century father is expected to be actively engaged in the everyday care of his children as epitomised by the celebrated dad of children s cartoon Bluey the Blue Heeler Bandit Fathering An Australian History explores why men often struggle to meet social and cultural expectations The authors groundbreaking research reveals the forces that have shaped Australian family life and fathering since the early twentieth century and how Australian fathers have managed the evolving role and its responsibilities Focusing on lived experience and drawing upon a century of personal accounts Fathering shows how fathers have participated in raising their children as the world changed their family roles and the relationships they form with their children It reveals how the experience of being a father is as much shaped by social

class and material wellbeing as it is by race and ethnicity geography and sexuality and by family legacy and personal character The first comprehensive history of Australian fathering Fathering transforms our understanding of men s experience of parenthood showing how fathers from diverse backgrounds including migrant and Indigenous dads have negotiated their role in changing circumstances
