Looking For Dilmun:

Looking for Dilmun Geoffrey Bibby, 1970 Dilmun was a land which stretched beyond the confines of Bahrain as far north as Kuwait and as far south as Saudi Arabia The quest for the real Dilmun began when the author revisited Bahrain in order to explore the thousands of undated burial mounds scattered across the country A seasons digging established the existence of a major civilisation dating from around 2300 BC First published in 1969 this fascinating book of discovery tells the story of archaeological detective work with style and humour It is re issued here for a new generation of readers and introduced by Carl Phillips one of the leading archaeologists of the region *Looking for Dilmun* Brenda Jackson, Penguin Books Staff, Ronald L McDonald, 1974-10-15 *The Boundless Sea* David Abulafia, 2019 A sweeping history of the world through its oceans and seas and their interconnections *Looking for Dilmun* Thomas Geoffrey Bibby (archeoloog), 1969

In Search of the Cradle of Civilization Georg Feuerstein, Subhash Kak, David Frawley, 2005-01-01 The book shows that the ancient Indians were no primitives but possessed a high spiritual culture which not only influenced the evolution of the Western world in decisive ways but which still has much to teach us today India s archaic spirituality is codified in the rich symbols metaphors and myths of the magnificent Rig Veda which is shown to be much older than has been widely assumed by scholars The present book also unravels the astonishing mathematical and astronomical code hidden in the Vedic hymns Anyone interested in ancient cultural history India archaeo astronomy or spirituality will find this well researched and cross cultural work spellbinding and enriching **Kuwait: Prospect and Reality** H.V.F. Winstone, Zahra Freeth, 2017-08-18 For many the story of this small Arabian state begins and ends with the wealth that has accrued from its vast oil deposits But the real fascination of Kuwait lies in its geological and archaeological history in its long struggle for survival among powerful neighbours in its ambitious plans for industrial and economic development This book first published in 1972 shows the effects of the new material wealth opened up by oil in relation to the country s remote past and its Islamic background

Cultural Heritage in the Arabian Peninsula Karen Exell, Trinidad Rico, 2016-04-22. Heritage projects in the Arabian Peninsula are developing rapidly. Museums and heritage sites are symbols of shifting national identities and a way of placing the Arabian Peninsula states on the international map. Global, i.e. Western, heritage standards and practices have been utilised for the rapid injection of heritage expertise in museum development and site management and for international recognition. The use of Western heritage models in the Arabian Peninsula inspires two key areas for research which this book examines: the obscuring of indigenous concepts and practices of heritage and expressions of cultural identity, and the tensions between local community concepts of heritage and identity and the new national identities being constructed through museums and heritage sites at a state level.
