Looking For George:

The Valley Robert Hammond,2016-07-25 Stay close to the river and you cant go far wrong These were the words that woke Molly from her sleep They came from the next room and the voice was strange to her She crept out of bed and went to the door which was partly open Through the gap she could see her mother huddled over the fading light from the fire in the hearth She had a shawl wrapped around her shoulders and was listening to someone who had their back to the bedroom door Molly could tell it was the voice of an old man he sounded friendly but cautious It may take a week by foot in this weather so here is some money to provide food and lodgings along the way With that the stranger stood up and wished Mollys mother Godspeed and may your prayers be answered *George Jarrod Tatom*,2021-07-21 George Took the right steps to have a comfortable life unfortunately his path became a bumpy road of many hardships that beat him down mentally Eventually the demons became more than he could bare He sadly sent his body and heart to heaven but left his soul and knowledge for a young boy s conscience to make it through life without self harm *All Gods Battle Amazing George* Hilton McCabe,2013-05 Amazing George lives a life of bad and good religious choices His conscious life seems confused Yet he finds powerful forces guiding him to where he is most uncomfortable He knows he is flawed with failure posessed by dangerous ambitions and confused by memory shadows He wanders seemingly without purpose while moving with the relentless guidance of people and events You may see your own religious beliefs lived or distorted Innocently these sneak into George s living but they come as if by some design He finds a variety of people rejecting and accepting them carelessly His own life plans give way to horrific events as well as the most uplifting Somehow he keeps on his way without personal direction He s clumsy comical tragic and perhaps hope filled He is his own person without suspecting his own destiny until a burst of clarity renders him amazing A patient reader will get his or her amazing reward for loyalty **Journal and Proceedings** ,1920 The Majesty... Judging Paradise Jonathan Dyer,2014-02-09 A relentless haunting mix of the brutal honesty of Camus and the tangible tragedy of Conrad a postmodern existential triumph Judging Paradise chronicles a single chaotic day in the life of Frank Walker on the fictional Caribbean island of Santa Clara Using Thanksgiving day as his backdrop Dyer sends his protagonist on a strange 24 hour odyssey of violence envy and betrayal The heat steadily rises culminating in a deadly conflagration that seemed to spew forth from a hot fissure in the earth Dyer s tightly packed novella rich in descriptive detail captures the inescapable effects of modernity s corrosive stimuli on a host of characters drawn with unflinching precision giving the reader an unvarnished look at the contradictory natural and human impulses we display and confront on a daily basis

Thomas Wolfe: Of Time and the River, You Can't Go Home Again & Look Homeward, Angel Thomas Wolfe,2023-12-26 In his compelling trio of works Look Homeward Angel Of Time and the River and You Can t Go Home Again Thomas Wolfe navigates the complexities of identity memory and the inexorable passage of time Wolfe s literary style is marked by its lyrical prose and stream of consciousness narrative immersing the reader in the protagonist s introspective

journey through the landscapes of his youth and the inevitable pull of home This thematic exploration is set against the backdrop of early 20th century America a period characterized by profound social change and the quest for personal meaning amid external chaos Thomas Wolfe born in 1900 in Asheville North Carolina was acutely influenced by the southern landscape and his own tumultuous experiences as a young man These elements imbue his writings with an authenticity reflective of the struggles of self discovery and familial ties Wolfe s passion for storytelling was nurtured by a rich literary environment as he was mentored by contemporaries like F Scott Fitzgerald and embraced the modernist techniques that shaped his distinctive voice This anthology is recommended for readers seeking a deeper understanding of American literature s evolution and the complexities of human experience Wolfe s profound insights and evocative language offer a cogent exploration of nostalgia and the search for belonging making these works essential for anyone intrigued by the intersections of memory place and identity Henry George and His Gospel Digby Cotes Pedder,1908
