Tiberghien, 2007-09-15 The author relates an experience that belongs to everyone the experience of soul Susan Tiberghien shares a year of dreams analysis daily life A writer mother woman in love she enters her inner world experiencing vertigo and breathlessness until she lets the light and darkness fuse within her Each of the chapters marks a turn with a dream and an epiphany They build upon one another as the reader enters cyclical time discovering that dreams too have their seasons

Jungian Metaphor in Modernist Literature Roula-Maria Dib, 2020-02-19 Jungian Metaphor in Modernist Literature argues for the centrality of Carl Jung s theory of individuation and alchemy in modernist poetics Through analysis of the uses of a mythic method in modernist literary works the book develops a related alchemical model which serves to expand understanding of modernist uses of language The book is an innovative exploration of modernist literary creativity under a Jungian lens spanning both the literary and scholarly Jungian field The literary works of Hilda Doolittle James Joyce and W B Yeats are read in the light of Jung s central theme of an alchemical marriage with attempts at developing a related alchemical model a Jungian poetics which serves to expand a reader s understanding of modernist uses of language This provides a fresh new lens through which modernist literature is viewed and seeks to reevaluate the role of Jung in the humanities namely in the field of modernist literature an area from which Jung has long been shunned This book will be of great interest for academics researchers and post graduate students in the fields of literature modernism psychoanalysis gender studies Jungian psychology depth psychology literary theory and cultural studies Seasons of Love: A Lasting

Marriage Susan Marquardt Tiberghien, 2025-04-04 Seasons of Love is a call for integrity in a marriage In this riveting memoir the author confronts the challenges that befall her American self her French husband and their family Seeing marriage as a daily coming together their continuous courtship and commitment enable them to wake each morning after sixty six years grateful for another day of loving **Circling to the Center** Susan M. Tiberghien, 2000 A spiritual memoir inviting the reader to experience life thoughtfully and contemplatively **Circling to the Center** Susan Tiberghien, 2019-11-07 A luminous spiritual memoir inviting the reader to the practice of silent prayer Rooted in her Judeo Christian tradition the author welcomes the wisdom of other traditions and calls us to embrace our shared humanity In this 20th Anniversary Edition Tiberghien writes an Afterword to update her journey opening the confines of her own darkness and finding atonement in the natural world and in the presence of Sophia the hidden wholeness of creation **Creative Nonfiction**, 1997 **The Universal Chord**, 1998 Carl Jung and Soul Psychology Donald Lathrop, E Mark Stern, Karen Gibson, 2014-02-04 Psychotherapy is profoundly indebted to Carl Jung who among others discovered the mappings of soul psychology Carl Jung and Soul Psychology is a fascinating exploration of the identity and unifying work of soul psychology The editors have met a monumental challenge in enlisting the scope of wisdom represented in this unique book **Jung and the Jewish Experience** Aryeh Maidenbaum, 2024-12-23 Drawing on Jewish myth ritual and tradition as well as the author's own experiences this original and unique book offers insights into how Jung's psychology and ideas are relevant if understood from a wider archetypal perspective Jung's writings especially his amplification and interpretation of spiritual and theological rituals and ideas focus almost entirely on Christianity and have very little to say about Judaism By applying a Jungian understanding of selected Jewish topics and stories and interspersed with anecdotes from the author's own life this book will add much needed insight to both the Jungian and Jewish realms Covering topics ranging from dreams forgiveness scapegoating and Jerusalem to hope resilience and humor this extraordinary book explores important aspects of Judaism through a Jungian lens This will be essential reading for anyone interested in exploring a Jungian approach to aspects of Judaism as well as those interested in the fields of theology literature spirituality history and myth **Personality** C. A. Meier, 1995 The world famous psychiatrist and pioneer of the unconscious Carl Gustav Jung never produced a systematic treatment of his own work he was always moving forward And so it became the life task of his assistant of many decades Carl Alfred Meier to gather and present in detail the various aspects of his far reaching discoveries This final volume of Meier's work addresses the human personality in its encounters between consciousness and the unconscious a process referred to as individuation In describing such encounters the author extensively explains the idea of Jung's psychological types **Jungian Analysis in a World on Fire** Laura Tuley, PhD., John White, PhD., 2024-04-11 This volume of essays all authored by practicing Jungian psychoanalysts examines and illuminates ways of working with individual analytic and therapeutic clients in the context of powerful and current collective forces in the United States and beyond One of Carl Jung

s central achievements was his clear recognition that the psyche is a locus not only of individual and personal experiences but also of social collective and even cosmological experiences This important insight on Jung s part both opens broad vistas for psychoanalytic practice and poses potential challenges for the psychoanalytic practitioner attempting to understand and aid the individual client amidst the pressure of intense collective energies especially amidst collective crises Among the themes treated in this volume are principles of non violence environmental activism feminism ecological shifts due to the pandemic the Chingada complex mass shootings industrial farming of animals and death anxiety Jungian Analysis in a World on Fire will be of interest to Jungian psychoanalytic and depth oriented analysts and therapists engaged in how best to work with individual clients in a time of social political and environmental crisis It will also be valuable for scholars interested in understanding the impact of contemporary collective traumas on individual psychology

Contemporary Jungian Analysis Ian Alister, Christopher Hauke, 1998 Bringing together essays by practitioners in the SAP today this volume offers perspectives on topics such as gender infancy transference popular culture dreams and active imagination spiritual issues and training

A Jungian Inquiry into the American Psyche Ipek S. Burnett, 2019-07-23 In A Jungian Inquiry into the American Psyche The Violence of Innocence Ipek Burnett s penetrating cultural criticism enriched with psychoanalytical and Jungian insight offers a timely interrogation of national consciousness in the United States Through evocative storytelling Burnett unpacks the images and myths that run deep in the American psyche from that of the New World the city upon a hill to the Manifest Destiny the melting pot and the pursuit of happiness Against this backdrop she investigates the vicious cycles of innocence and violence that have dominated American history and continue to reinforce systematic oppression in America evident in racial and economic inequality xenophobia materialism and more Burnett s thought provoking analysis exposes the ways in which psychological defenses such as historical amnesia projection denial and dissociation work on a collective level helping America avoid a confrontation with these violent truths of its past and present circumstances and its national character With its seamless multidisciplinary approach and revealing insight this book will be of great interest to psychologists scholars and students of Jungian and post Jungian thought depth psychology and cultural and American studies Eloquent and accessible it will engage readers who strive to be self reflective well informed global citizens

The Gold Thread William Raeper, 2015-11-03 Both children s literature and fantasy literature have become established as genre for critical study in recent years especially in the United States As one of the outstanding children s authors of the nineteenth century and a pioneer of fantasy writing MacDonald has become the focus of increased attention As an acknowledged influence on many authors who came after him authors such as E Nesbit G K Chesterton C S Lewis W H Auden and T S Eliot MacDonald is one of the rare writers whose work is a starting point for evaluating the achievements of others New forms of critical theory Jungian psychoanalytic and feminist turning towards the exploration of sexuality and the fantastic have also found fitting subjects in MacDonald s texts This volume studies these developments and also the growing acknowledgment

that MacDonald was a Scottish writer and a Victorian His enduring works have been his children s books At the Back of the North Wind The Princess and the Goblin The Princess and Curdie and the fairy tales of The Golden Key His two adult fantasy novels Phantasties and Lilith are now recognized as classics of their kind **The Ecumenical Review** ,1996 **Carl Gustav Jung** Frank McLynn,2014-08-19 In this the first full length biography of the great Swiss psychologist Carl Gustav Jung is remembered not only for his valuable contribution to psychotherapy and to our understanding of the inner workings of the mind but for the enduring controversies he sparked In Frank McLynn s capable hands readers will come to understand the man who originated what are widely held to be some of the greatest ideas of this century Jung: A Complete Introduction: Teach Yourself Phil Goss,2015-07-30 Jung A Complete Introduction is designed to give you everything you need to succeed all in one place It covers the key areas that students are expected to be confident in outlining the basics in clear jargon free English and providing added value features like summaries of key books and even lists of questions you might be asked in your seminar or exam The book uses a structure that mirrors the way Jung is taught on many university and counselling courses Chapters include individuation and the archetypal power of the unconscious Jung s early life Jung s early career and key influences Freud and Jung the self and ego the dark side anima and animus archetypes typology Jungian analysis working with dreams active imagination developmental approaches application of Jungian analysis to mental health needs and Jung s legacy in culture spirituality and therapy Jung employs the Breakthrough Method to help you advance quickly at any subject whether you re studying for an exam or just for your own interest The Breakthrough Method is designed to overcome typical problems you ll face as learn new concepts and skills Problem I find it difficult to remember what I ve read Solution this book includes end of chapter summaries and questions to test your understanding Problem Lots of introductory books turn out to cover totally different topics than my course Solution this book is written by a university lecturer who understands what students are expected to know **The Making of a Jungian Analyst** Robin B. Zeiger,2025-07-23 This book dares to offer a deeply personal glimpse into the journey of becoming a Jungian analyst The reader is invited into the safe temenos of the author s training analysis with an analyst who challenges the author to reach beyond herself and develop deep intimacy With suffering a flood of dreams and an insatiable longing for her analyst s hand the author discovers the force of Self in the second half of life that insists on leading the way The journey emphasizes how analysis is learned via an apprenticeship forged in sitting at the feet of the elders This includes working with a tough and compassionate supervising analyst who is a Holocaust survivor Readers witness the joining of the intimate training group as siblings and partners in crime Finally the author shares her political transformations in the shadows of war and brokenness of the world that inspires her to meet the artist within and helps to make her mark on the world
