Looking For Little Egypt:

Looking for Little Egypt Donna Carlton, 1994 **Looking for de Soto** Joyce Rockwood Hudson, 2012-02-01 In 1984 Joyce Rockwood Hudson accompanied her husband anthropologist Charles Hudson on a 4 000 mile trek across the Southeast His objective was to retrace and verify the route taken by Hernando de Soto four and a half centuries earlier The effort would bring into question and ultimately supplant much of what was earlier thought to be the course of the Spanish explorer s journey This is the journal Joyce Hudson kept during that trip A kind of scholar s version of *Blue Highways* the book is a warmly humane and almost daily account of the people the Hudsons met the places they saw and the things they did as they searched for De Soto s trail beneath railroad tracks and two lane blacktops along riverbanks and mountain ridges Thus it is largely a travel story about rural and small town life in eleven states from Florida to Texas Descriptions of the region s everchanging terrain vegetation and climate fill the book colored at times by Joyce Hudson s troubled musings about Americans increasing disconnectedness from the land and irreverence for the past Conveying the rewards and frustrations of lives spent in painstaking scholarly inquiry *Looking for De Soto* also offers a firsthand glimpse into the daily work of anthropologists and archaeologists the exchanges of ideas the ventures through swamps and down deeply rutted farm roads the endless porings over maps charts and notes As if writing a detective story the author suspensefully paces the narrative with the accrual of geographical artifactual and documentary evidence punctuating it with false leads and other setbacks as mile after mile of the trail is redrawn The story even has its villains pothunters and private collectors the builders of canals and dams that alter the courses of rivers and inundate ancient village sites and the owners of corporate farms who have leveled and eradicated ceremonial mounds with their massive agricultural machinery Finally a sense of the headlong cultural collision between Europeans and Native Americans pervades the book De Soto and his six hundred conquistadores were the first Europeans to explore the interior of the southeastern United States and the only ones to witness its aboriginal society at its zenith Hudson s evocation of this encounter so central to the history of the New World may well send readers on their own excursions into the past *Looking for De Soto* is a fascinating journey through today s South illuminated by a richly informed perspective on its earlier days

Salomania and the Representation of Race and Gender in Modern Erotic Dance Cecily Devereux, 2023-04-25 *Salomania and the Representation of Race and Gender in Modern Erotic Dance* situates the 1908 dance craze which The New York Times called *Salomania* as a crucial event and a turning point in the history of the modern business of erotic dance Framing *Salomania* with reference to imperial ideologies of motherhood and race it works toward better understanding the increasing value of the display of the undressed female body in the 19th and early 20th centuries This study turns critical attention to cultures of maternity in the late 19th century primarily with reference to the ways in which women are defined in relation to their genitals as patriarchal property and space and are valued according to reproduction as their primary labour Erotic dance as it takes shape in the modern representation of *Salome* insists both that

the mother is and is not visible in the body of the dancer a contradiction this study characterizes as reproductive fetishism Looking at a range of media the study traces the modern figure of Salome through visual art writing early psychoanalysis and dance from hootchie kootch to the performances dancer Maud Allan called mimeo dramatic to mid 20th century North American films such as Billy Wilder s *Sunset Boulevard* and Charles Lamont s *Salome Where She Danced* to the 21st century HBO series *The Sopranos*

Undressed for Success B. Foley, 2016-09-27 Using the tools of performance studies gender theory and cultural history Brenda Foley explores the striking similarities between beauty pageantry and striptease For example women in both project a normal femininity and adhere to a strict hierarchy Miss America contestants look down upon Miss Universe contestants while theatrical burlesque artists saw themselves as far above mere carnival strippers *Undressed for Success* collects extensive primary source research newspapers journals trade

Combining traditional European operatic melodies with the new and American rhythmic verve of ragtime these songs painted vivid images of immigrant Americans liberated women and upwardly striving African Americans striking emblems of the profound transformations that shook the United States at the beginning of the American century **The Trans-Mississippi and International Expositions of 1898-1899** Wendy Jean Katz, 2018-02-01 The Trans Mississippi Exposition of 1898 celebrated Omaha's key economic role as a center of industry west of the Mississippi River and its arrival as a progressive metropolis after the Panic of 1893 The exposition also promoted the rise of the United States as an imperial power at the time on the brink of the Spanish American War and the nation's place in bringing civilization to Indigenous populations both overseas and at the conclusion of the recent Plains Indian Wars The Omaha World's Fair however is one of the least studied American expositions Wendy Jean Katz brings together leading scholars to better understand the event's place in the larger history of both Victorian era America and the American West The interdisciplinary essays in this volume cover an array of topics from competing commercial visions of the cities of the Great West to the role of women in the promotion of City Beautiful ideals of public art and urban planning and the constructions of Indigenous and national identities through exhibition display and popular culture Leading scholars T J Boisseau Bonnie M Miller Sarah J Moore Nancy Parezo Akim Reinhardt and Robert Rydell among others discuss this often misunderstood world's fair and its place in the Victorian era ascension of the United States as a world power **The Man Who Hated Women** Amy Sohn, 2021-07-06 Smithsonian Magazine 10 Best History Books of 2021 Fascinating Purity is in the mind of the beholder but beware the man who vows to protect yours Margaret Talbot The New Yorker Anthony Comstock special agent to the U S Post Office was one of the most important men in the lives of nineteenth century women His eponymous law passed in 1873 penalized the mailing of contraception and obscenity with long sentences and steep fines The word Comstockery came to connote repression and prudery Between 1873 and Comstock's death in 1915 eight remarkable women were charged with violating state and federal Comstock laws These sex radicals supported contraception sexual education gender equality and women's right to pleasure They took on the fearsome censor in explicit personal writing seeking to redefine work family marriage and love for a bold new era In The Man Who Hated Women Amy Sohn tells the overlooked story of their valiant attempts to fight Comstock in court and in the press They were publishers writers and doctors and they included the first woman presidential candidate Victoria C Woodhull the virgin sexologist Ida C Craddock and the anarchist Emma Goldman In their willingness to oppose a monomaniac who viewed reproductive rights as a threat to the American family the sex radicals paved the way for second wave feminism Risking imprisonment and death they redefined birth control access as a civil liberty The Man Who Hated Women brings these women's stories to vivid life recounting their personal and romantic travails alongside their political battles Without them there would be no Pill no Planned Parenthood no Roe v Wade This is the forgotten history of the women who waged war to control their bodies **Imagining Arab Womanhood** A.
