

My Footprints

Two little feet
with ten tiny toes
isn't it a struggle
how quickly time goes?

Footprints so small
but this will not last
I change each and every day
and grow so very fast.

These two little footprints
will help you to recall
how little I was
when my feet were so very small.

,1906 **I'm Looking Through You** Jennifer Finney Boylan,2008-10-21 From the famous gender rights activist and bestselling author of *She's Not There* comes another buoyant unforgettable memoir about growing up in a haunted house and making peace with the ghosts that dwell in our hearts. For Jennifer Boylan creaking stairs fleeting images in the mirror and the remote whisper of human voices were everyday events in the Pennsylvania house in which she grew up in the 1970s. But these weren't the only specters beneath the roof of the mansion known as the Coffin House. Jenny herself born James lived in a haunted body and both her mysterious diffident father and her wild unpredictable sister would soon become ghosts to Jenny as well. *I'm Looking Through You* is an engagingly candid investigation of what it means to be haunted. Looking back on the spirits who invaded her family home Boylan launches a full investigation with the help of a group of earnest if questionable ghostbusters. Boylan also examines the ways we find connections between the people we once were and the people we become. With wit and eloquence Boylan shows us how love forgiveness and humor help us find peace with our ghosts with our loved ones and with the uncanny boundaries real and imagined between men and women.
