You Can't Trust Your Own Mind David French, Ph.H.,2010-12-28 In the cycles of the great season of creativity we are sometimes given a rare and precious gift This season that gift is You Can t Trust Your Own Mind by David French PhD a book about how to excavate your deep true identity and stop the fear and alienation automatically and reactively imposed by the mind Inspired by discipline experience understanding and compassion his words embrace a deeper truth with the reader and lead to common ground where we can all see what is real and what is not myself and the machine your self and the machine With his self disclosing style he shows us how to find emotional shelter when we are injured how to be truthful when we want to lie how to build trust when we feel alone and misunderstood He helps us discover triggers that alarm the machine and cause swift destructive actions He finds the power concealed within our own vulnerability and gives us the courage to own our own pain He gives us tools for more satisfying relationships hope for self fulfillment and permission to be who we are without games fears and self sabotaging rituals of the ancient reactive machine He shows each of us how to accept the machine that vigilantly and perpetually serves us with a singular directive to monitor protect and destroy all perceived threats before the deep sacred self is even aware of them What others are saying about this book Through Dr French s Personal balance Therapy he brings together all the parts of what makes each one of us unique and sets the reader on the path of wholeness D C Hadden Psy D Licensed Clinical Psychologist This book can save ones sanity relationships maybe even one s life Patients of mine commonly arrive in a state of despair and depression losing all hope faith trust and love Readers may be skeptical to try yet another book top better understand the hurt within but believe this book will open one s eyes and direct one to experiencing inner piece To be able to see the pasterns of our actions that lead us to heartache and frustration is eye opening and allows the reader to understand the automatic self Dr French teaches that by modifying and reeducating the Machine that allows us to achieve a balance with our real self The descriptions were right on target The reader will find this book encouraging even those that may feel that they are too far gone to be helped many readers will find themselves turning back to this book again and again when they are in need of a reality check They will find healing in the pages within James S Pratty M D Psychiatrist Medical Director Azimuth Mental Health Associates What I love about Dr French and his book is how real This book is great for all health workers educators rehabilitation staff and individuals addressing their own issues His spirituality and sensitivity is great Richard L Rosenberg PhD Lead vocational coordinator Whittier Union High School District

Wholehearted Living J. Rockefeller,2015-11-17 Most individuals envision themselves to be someone who will live with influence success and significance More often they tend to concentrate more on what they want to be rather than who they really are If you want to live a life with real happiness and meaning you need to let go of who you think you are supposed to be and embrace who you really are This means you are embracing

wholehearted living What is Wholehearted Living Wholehearted living is a way of engaging in your life in a particular state of worthiness This kind of living means cultivating compassion connection and having the courage to wake up each day and think positively Regardless of what has happened or what you fear may happen you need to think that you work hard and do your best Yes it is true that individuals are sometimes vulnerable and imperfect but these do not change the fact that every individual is worthy of belonging and being loved and experiencing wholehearted living You are said to be a wholehearted person if you display the following Courage to show up tell your story and be yourself Sense of worthiness believing you are worthy enough Have compassion for yourself and for others Ability of connecting with other people Embracing joy Practicing gratitude Practicing vulnerability and allowing yourself to be seen to live and to love with your whole heart even without any guarantees
