

A group of five professionals, four women and one man, are standing in a row and smiling. They are dressed in business attire. The background is a blue-tinted image of a city skyline at night, featuring a prominent domed building, likely a state capitol. The overall mood is professional and positive.

## Looking Back At Live Television Other Matters:

Live Television Drama, 1946-1951 William Hawes, 2015-11-16 The live era or golden age of television drama originating from New York 1946 through 1951 was an exciting time of creative and commercial accomplishment This is a complete history and reference guide to the live dramas that aired during those six years Extensive coverage is given to the NBC anthologies Kraft Television Theatre and Philco Television Playhouse and the CBS anthologies Ford Theater and Studio One as well as to the competitors the 28 new anthologies that appeared in the prime time schedule during 1950 and 1951 Appendices comprehensively list the day by day program logs for BBC CBS and NBC dramas from 1946 through 1951

**Earl Hamner** James E. Person (Jr.), James E. Person, 2005 Since *Spencer's Mountain* I have followed Earl Hamner's career with much interest and much satisfaction having picked a winner Harper Lee author of *To Kill a Mockingbird* Earl Hamner one of America's best loved storytellers has never been the subject of a full length study *Earl Hamner From Walton's Mountain to Tomorrow* fills that gap A native Virginian Hamner once said Even though families are said to be shattered these days and God is said to be dead if people can revisit the scenes and places where these values did exist possibly they can come to believe in them again or to adapt some kind of belief in God or faith in the family unit or just getting home again This vision of what makes for a whole life permeates all of Hamner's work It is present in the novel *Spencer's Mountain* upon which *The Waltons* was loosely based and in his screenplays such as the work he is perhaps most proud of *Charlotte's Web* It is even present in such unlikely places as the eight scripts he contributed to the classic television series *The Twilight Zone* and the tales of cold blooded betrayal and boundless ambition depicted on *Falcon Crest* In *Earl Hamner From Walton's Mountain to Tomorrow* readers will discover the integrated nature of his career finding that there is no real conflict between the warm folksiness of *The Waltons* the offbeat fantasies of his *Twilight Zone* scripts the unscrupulous ethics displayed on *Falcon Crest* and the myriad other novels and scripts he has written and TV programs he has produced Instead readers will find that there is a pervasive theme running throughout Hamner's work that of a man forever taking a backward glance at his roots for direction in finding what makes life worthwhile Upon learning that this book was being written Hamner told one of his friends I can't imagine anyone wanting to read a book about me much less write one about me Readers of this book will find Hamner's doubts indeed misplaced They will also discover a delightful individual who has enjoyed a long accomplished career as a storyteller laboring for a worthy goal that posterity may know of an age and a people whose legacy has not through silence been permitted to pass away as if a dream *Encyclopedia of Television Film Directors* Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length

anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium

John Williams Tim Greiving,2025-08-01 The first biography of a great American composer of the cinema age John Williams is one of the most important film composers of all time having almost singlehandedly revived the Hollywood symphonic scoring tradition and helped restore the livelihood of American orchestras through the popularity of film music programming His film music in the words of director Oliver Stone came to stand for the American culture In John Williams A Composer's Life the first biography of the composer author Tim Greiving offers an engaging account of a man whose body of work is well known but whose personal life has consistently remained very private Williams wrote the memorable scores and hummable themes for a staggering number of popular touchstones across multiple generations among them Star Wars Indiana Jones Jaws E T Jurassic Park Schindler's List and the Harry Potter series and earned more Oscar nominations than any individual artist in the history of the motion picture Academy He also composed dozens of concerti fanfares and other concert works and was a national presence as music director of the Boston Pops for more than a decade He inspired countless children to pursue a career in the orchestra and won the respect of the classical community worldwide Seeking to understand what drove Williams's musical productivity and its effects on the lives of those close to him Greiving delves deeply into the composer's decades long career uncovering countless new stories and revelations Throughout he analyzes and describes Williams film scores recalling them primarily in narrative and emotional terms rather than purely musicological ones and in doing so emphasizes one of Williams's principle strengths his musical storytelling With unprecedented interview access to Williams and those close to him Greiving presents the definitive portrait of a beloved but famously private doyen of twentieth century pop culture Featuring 175 exclusive interviews including with Steven Spielberg Oliver Stone George Miller Mia Farrow Hans Zimmer Yo Yo Ma session musicians family members and friends John Williams A Composer's Life is the first and last word on the great court composer of the cinema age the musical conductor of our collective memory

**Filmed Television Drama, 1952-1958** William Hawes,2002-01-09 This work examines the change from live to filmed television dramas during the period 1952 1958 and the characteristics and programs that are most associated with filmed television drama Along with many technical changes that had to be made in the industry in order to convert live television to filmed television came an interesting social one The American society in general was developing a growing interest in the lives of ordinary people and television moved with them offering more programs that concentrated on the middle and lower classes Because of the inherent qualities of filming television began to feature more documentary like

realism began to broaden its interpretation of traditional romantic escapism to include more outer space and supernatural science fiction began to better fulfill materialistic desires through well designed enjoyable commercials and began to offer the best dramas and most popular personalities often leading viewers to greater self appreciation and richer lives This work focuses on the important anthology programs and specials that were on the air from 1952 to 1958 such as Kraft Television Theatre Philco Television Playhouse and The Hallmark Hall of Fame filmed serials like Colgate Theatre Amos n Andy and I Love Lucy and the challenges of converting from live to filmed television drama

**Reginald Rose and the Journey of 12 Angry Men** Phil Rosenzweig, 2021-10-05 Finalist 2021 Wall Award Formerly the Theatre Library Association Award The untold story behind one of America s greatest dramas In early 1957 a low budget black and white movie opened across the United States Consisting of little more than a dozen men arguing in a dingy room it was a failure at the box office and soon faded from view Today 12 Angry Men is acclaimed as a movie classic revered by the critics beloved by the public and widely performed as a stage play touching audiences around the world It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict and widely taught for its depiction of group dynamics and human relations Few twentieth century American dramatic works have had the acclaim and impact of 12 Angry Men Reginald Rose and the Journey of 12 Angry Men tells two stories the life of a great writer and the journey of his most famous work one that ultimately outshined its author More than any writer in the Golden Age of Television Reginald Rose took up vital social issues of the day from racial prejudice to juvenile delinquency to civil liberties and made them accessible to a wide audience His 1960s series The Defenders was the finest drama of its age and set the standard for legal dramas This book brings Reginald Rose s long and successful career its origins and accomplishments into view at long last By placing 12 Angry Men in its historical and social context the rise of television the blacklist and the struggle for civil rights author Phil Rosenzweig traces the story of this brilliant courtroom drama beginning with the chance experience that inspired Rose to its performance on CBS s Westinghouse Studio One in 1954 to the feature film with Henry Fonda The book describes Sidney Lumet s casting the sudden death of one actor and the contribution of cinematographer Boris Kaufman It explores the various drafts of the drama with characters modified and scenes added and deleted with Rose settling on the shattering climax only days before filming began Drawing on extensive research and brimming with insight this book casts new light on one of America s great dramas and about its author a man of immense talent and courage Author royalties will be donated equally to the Feerick Center for Social Justice at Fordham Law School and the Justice John Paul Stevens Jury Center at Chicago Kent College of Law

**Television Directors, Race, and Gender** Jonathan J. Cavallero, 2024-07-17 This book challenges the predominant framing of US television as a writer s or producer s medium by suggesting that television directors are a vital component of TV artistry Looking beyond a perspective that favors the narrative and economic aspects of television but undervalues the medium s formal elements the book explores how directors use the visual and aural to contribute layers of meaning that add

to the thematic development of television texts Starting from the belief that television aesthetics partially reveal the ways in which directors and their collaborators contribute to the overall thematic development of a program the author offers five case studies that map out the ways that directors have contributed to television drama throughout the medium's approximately 80 year history By devoting special attention to the presence and voices of directors from marginalized backgrounds the book creates opportunities to discuss television from perspectives that emphasize issues of diversity equity and inclusion This original and insightful work will appeal to students and scholars of television studies television production and media production critical media studies media authorship gender studies and race and media

*Glenn Ford* Peter Ford, 2011-05-12 Glenn Ford star of such now classic films as *Gilda* *Blackboard Jungle* *The Big Heat* *3 10 to Yuma* and *The Rounders* had rugged good looks a long and successful career and a glamorous Hollywood life Yet the man who could be accessible and charming on screen retreated to a deeply private world he created behind closed doors *Glenn Ford A Life* chronicles the volatile life relationships and career of the renowned actor beginning with his move from Canada to California and his initial discovery of theater It follows Ford's career in diverse media from film to television to radio and shows how Ford shifted effortlessly between genres playing major roles in dramas noir westerns and romances This biography by Glenn Ford's son Peter Ford offers an intimate view of a star's private and public life Included are exclusive interviews with family friends and professional associates and snippets from the Ford family collection of diaries letters audiotapes unpublished interviews and rare candid photos This biography tells a cautionary tale of Glenn Ford's relentless infidelities and long slow fade out but it also embraces his talent driven career The result is an authentic Hollywood story that isn't afraid to reveal the truth Best Books for General Audiences selected by the American Association of School Librarians Best Books for General Audiences selected by the Public Library Reviewers

*The Great American Playwrights on the Screen* Jerry

Roberts, 2003-05 The profound expansion of television into American homes in the 1950s brought a flood of adapted plays to the small screen and resulted in the rebirth of the careers of many significant playwrights *The Great American Playwrights on the Screen* provides fans with a video and DVD guide to the adapted works of the playwrights and shows which versions are available for home viewing and in what media VHS and DVD It resurrects the memory of television productions of plays at a critical time when many of them including Emmy winners and nominees are deteriorating in vaults BOOK JACKET

*Jean Simmons* Michelangelo Capua, 2022-06-27 Arriving in Hollywood in 1950 to launch her American film career Jean Simmons 1929-2010 had already appeared in 18 British films and was best known for her portrayal of Ophelia in Laurence Olivier's *Hamlet* She soon became a favorite female face working with some of filmmaking's greats and acted opposite many Hollywood A-listers Two of her most popular films *Guys and Dolls* 1955 and *Spartacus* 1960 were international box office hits and in her seven decades long career she collected numerous awards and honors including a Golden Globe an Emmy and two Oscar nominations as Best Actress Despite the accomplishments and accolades radiant beauty and stunning versatility

Simmons is considered by many to be an underrated artist too often handed more comfortable leading female roles than those that could've elevated her to the level of super stardom experienced by some of her peers This the first full length biography of Simmons fills a gap in film and performing arts studies and includes extensive notes and photographs
