Frank Baum,2016-07-15 *The Intellectual Observer* ,1863 **The Mao Case** Qiu Xiaolong,2009-03-03 Chief Inspector Chen Cao of the Shanghai Police Department is the head of the Special Case group and is often put in charge of those cases that are considered politically sensitive since As a rising party cadre he s regarded by many as reliable But Inspector Chen though a poet by inclination and avocation takes his job as a policeman very seriously despite the pressures put upon him from within and without and is unwilling to compromise his principles as a policeman in favor of political expedience However after the new Minister of Public Security insists that Chen personally take on a special assignment an investigation already begun by Internal Security he may no longer be able to resist those pressures The party increasingly leery of international embarrassment is unhappy about two recent books that place Mao in a bad light Now Jiao the granddaughter of an actress who was likely one of Mao s mistresses a woman suspected of being Mao s own granddaughter has recently quit her job moved into a luxury apartment and without any visible means of support become a part of a new social set centered around the remnants of pre Communist Shanghai society What they fear is that somehow she has inherited some artifact or material related to Mao that will when made public prove embarrassing Even though there is no evidence that such even exists Chen has been charged to infiltrate her social circle determine if the feared material exists and if it does retrieve it quietly And in only a few days because if he can t resolve this Mao case within the deadline the party will resort to harsher more deadly means The Blue Pool Rosalyn Rikel Ramage,2016-06-02 What a surprise twelve year old Emma Mae and her ten year old brother Edward find when they stop at the very deep and dangerous Blue Pool near their home in rural West Kentucky in 1914 They encounter a beautiful rainbow colored fish that floats in the air and talks But what is even more surprising is the way in which that fish will later transport them and their younger brother William through underwater passages all the way to the ocean and up the coastline to the beautiful Campobello Island where there is a family in great need How can they identify the family and what their problems are If they find them can they supply them with the help they need And is there truly a buried treasure If so can they find it before the pirates get it And will they be able to return safely home to their family One Spoon on This Earth Hyun Ki-young,2013-09-26 An autobiographical novel that takes a life to pieces putting forward not a coherent straightforward narrative but a series of dazzling images ranging from the ordinary to the unbelievable fished from the depths of the author s memory as well as from the stream of his day to day life as an adult author Interweaving flashes of the horrific Jeju Uprising and the Korean War with pleasant family anecdotes stories of schoolroom cruelty and bizarre digressions into his personal mythology One Spoon on this Earth stands a sort of digest of contemporary Korean history as it might be seen through the lens of one man s life and opinions *Our Search for the Missing Millions of Cocos Island* John Chetwood,1904
