DIVA comprehensive handbook of all the crucial information interior designers need to know on a daily basis. In the world of interior design, thousands of bits of crucial information are scattered across a wide array of sources. Color Space and Style collects the information essential to planning and executing interiors: projects of all shapes and sizes and distills it in a format that is as easy to use as it is to carry. Section 1: Fundamentals provides a step-by-step overview of an interior's project, describing the scope of professional services, the project schedule, and the design and presentation tools used by designers. Section 2: Space examines ways of composing rooms as spatial environments while speaking to functional and life safety concerns. Section 3: Surface identifies options in color, material, texture, and pattern while addressing maintenance and performance issues. Section 4: Environments looks at aspects of interior design that help create a specific mood or character, such as natural and artificial lighting, sound, and smell. Section 5: Elements describes the selection and specification of furniture and fixtures, as well as other components essential to an interior environment, such as artwork and accessories. Lastly, section 6: Resources gathers a wealth of useful data from sustainability guidelines to online sources for interiors-related research. Throughout Color Space and Style appear interviews with top practitioners drawn from across the field of interior design. Small Space Organizing Kathryn Bechen, 2012-01-01. While we may admire the spacious rooms in large homes we see in magazines or on TV, let's face it: most of us don't live in rambling estates. Instead, we live in homes, apartments, or condos with small rooms and even smaller closets. But you can enjoy an organized, beauty-filled life no matter what the size of your space. In this

practical book readers will learn how to perform a room by room audit of their space to see if it's functioning at its best, make the most of existing storage space and find clever ways to add more. Find creative ways to arrange furnishings and accessories that maximize space and bring harmony and style to the home. Whether empty nesters who are downsizing, newlyweds who are setting up their first nest or anyone who needs creative new ideas, readers will love these strategies, tips and solutions to maximize their space and enhance their quality of life. **Big Gardens in Small Spaces** Martyn

Cox, 2009-01-01 Shares practical solutions for making the most of small spaces from shady corners and rooftops to doorways and pavement cracks in an accessible guide that explains how to affordably and entertainingly tend edible and ornamental varieties. **A Kentucky Cowboy's Love** Dinah Pike, 2019-11-01 Sometimes it's okay to change your mind. Just when

Savannah Stetson has sworn off all serious relationships for good, a handsome cowboy from Montana strides into the bank lobby. Savannah immediately begins to wonder if she's made that decision too quickly. Thus begins an irresistible story about a girl who discovers who she really is and what she really wants. His smile is full of secrets, secrets and orange blossom honey swirled into a glass of very good bourbon. Brody Bangfield finds that moving to central Kentucky is more than enough to keep his mind off his former life. When he becomes Stetson Farm's new Master Herdsman, he meets all the interesting characters of Bourbon Creek. The most interesting character by far is Savannah Stetson. Can Brody and Savannah find lasting love in Kentucky? If you enjoy feel-good small town romance novels, you will fall in love with *A Kentucky Cowboy's Love* as Brody and Savannah take you on an inspirational journey. *Libby Langdon's Small Space Solutions* Libby Langdon, 2009-02-14 When someone says they live in a small house or apartment, the image that comes to mind is all too often negative: cramped, cluttered or confining. But America's leading small space designer, Libby Langdon, knows just how to counter that stereotype. In *Libby Langdon's Small Space Solutions*, she finally offers a practical, user-friendly guide to decorating small spaces so they look stylish, beautiful and larger than their actual dimensions. Setting out from the premise that it doesn't take lots of money to achieve a warm and inviting atmosphere, she delivers practicality and inspiration that's affordable. Armed with a bit of basic design knowledge and a few of Libby's tricks of the trade, any small space dweller can learn how to create gracious, inviting small space homes that are also functional to a tee. Each chapter addresses the most common problems encountered in a particular space: living room, dining room, kitchen, bathroom, bedroom, office or hall, and presents solutions and sample layouts, as well as numerous color photos showing transformed spaces before and after that illustrate small space design tips. Libby also spells out the top ten mistakes people make in small spaces and provides step-by-step instructions for painting and hanging art. An invaluable resource for apartment dwellers, first-time homeowners and anyone looking to downsize, *Libby Langdon's Small Space Solutions* proves that living with less doesn't mean living without luxury. **Looking for Love in Strange Places: A Memoir for My Stepdaughters** Diana Page, 2016-02-18 Back in 1968, Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career. She didn't have a boyfriend, so a prospective

husband was unlikely to materialize before the semester ended and a bachelor's in political science wasn't going to make her easily employable. The solution? Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Jorge Luis Borges, and Hillary Clinton among others. *Looking for Love in Strange Places: A Memoir for My Stepdaughters* is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future. **But Where Do I Put the Couch?**

Love on Lexington Avenue Lauren Layne, 2019-09-17. A Goodreads Best Romance. Fans of *The Devil Wears Prada* will flip over *Love on Lexington Avenue*. Karen Hawkins, New York Times bestselling author. From New York Times bestselling author Lauren Layne comes the second delightfully charming installment in the Central Park Pact series. Following a young widow whose newfound cynicism about love is challenged by a sexy, rough-around-the-edges contractor, there are no good men left in New York City. At least that's Claire Hayes's conviction after finding out her late husband was not the man she thought he was. Determined to rid her home of anything that reminds her of her cheating husband, Claire sets out to redesign her boring beige Upper East Side brownstone and make it something all her own. But what starts out as a simple renovation becomes a lot more complicated when she meets her bad-tempered contractor, Scott Turner. Scott bluntly makes it known to Claire that he only took on her house for a change of pace from the corporate offices and swanky hotels he's been building lately, and he doesn't hesitate to add that he has no patience for a pampered, damaged princess with a penchant for pink. But when long workdays turn into even longer nights, their mutual wariness morphs into something more complicated: a grudging respect.
