**Alien Revelation - They're Here** George Ljepojevic, 2015-01-09 This book is most unorthodox research covering the existence of aliens from an understanding of the dogmas of Freemasonry from the perspective of the author's real life experiences and its esoteric teachings that date back to the times before Jesus Christ It is the journey of the author's experiences that started in earnest after his profound experience in Vietnam The book takes you on a journey of not only self discovery but also answers questions as they are asked in laymen's terms Nowhere will you see fancy words there is

no need for them the author writes as he speaks His Masonic journey was to take a major detour as such because his curiosity was to take him into uncharted waters We as individuals are but a drop in the ocean You can not fathom the immensity of infinity it must have a starting point A point itself has shape and when shape dissolves it blends to the source whence it comes from The oceans belong to matter as thoughts belong to space Herein you will find insight as to how and to what end the daily lives of countless generations are consciously controlled through religion and politics war and the economy esoteric sacred and historic influences aliens and their governments the theory and application of conspiracy theories the ongoing engineering of our environment but more importantly how we are not alone through these many existences and who coordinates our realities which are the illusion supporting their agenda the new world order Herein you will find everything from SETI and all appertaining thereto to the nature of Chemtrails phenomena and its less palatable applications to the name of Marduk and Catholicism Truths to the interesting prophecies of Baba Vanga the Balkan visionary who spoke of aliens back in the early 1930s which was interesting as she was not an educated person a blind peasant with the gift of prophecy also interestingly she mentioned that Islam was to make its presence in Rome and so on and so forth in brief a roller coaster ride awaits you These are the truths the author a foot soldier of Steven M Greer invites you to partake in that We all partake of the same source All worlds realities are based on the thoughts projected in its many guises Whatever the individual wants to discover cannot be understood without the input of another being that also includes the quote aliens Nothing exists outside the circle for the circle is both macro cosmic and micro cosmic both being connected and that connection is you
