**Robert Wood**

## **Lookouts Firewatchers Of The Cascades And Olympics:**

**Lookouts** Ira Spring, Byron Fish, 1996 History of 75 fire protection lookouts More than 200 photos from archival and personal collections Selected access information Once the most advanced means of fire detection the fire protection lookout towers built and manned in the mid to late 1900s in Washington state are now historic sites and an intrinsic part of the heritage of the Northwest and its people Lookouts Firewatchers of the Cascades and Olympics is a complete history of the lookouts and a tribute to the people who often endured challenging conditions from loneliness to forbidding weather while serving as firewatchers Authors Ira Spring and Byron Fish paint a vivid picture of each lookout tower in Mount Baker Snoqualmie National Forest Mount Rainier National Park the Olympics Gifford Pinchot National Forest Wenatchee National Forest and Okanogan National Forest and provide inspirational personal anecdotes from the people who manned and worked to preserve these buildings This edition includes appendixes that provide driving and hiking directions to selected lookouts information on volunteer organizations active in preserving lookouts and a historical registry of western Washington lookouts

*Hiking Washington's Fire Lookouts* Amber Casali, 2018-04-16 This new guide to hiking the fire lookouts of Washington s Cascades and Olympics is the quintessential Northwest guide and will appeal to a wide range of hikers Features of Hiking Washington s Fire Lookouts include 44 fire lookouts those that feature access by trail All lookouts are accessible during the typical summer season Only lookouts that are still standing no hiking up to a barren mound of broken concrete Routes are not technical hikers just need boots trekking poles and probably lunch Lookout history anecdotes and full color photos throughout Each lookout description features the year it was constructed access details including overnight stays and winter access location and land manager roundtrip distance on trail trail elevation gain lookout s elevation map info trailhead GPS coordinates information about any permits or fees and driving directions to the trailhead Introductory chapters provide an overview of Washington State s lookouts as well as information about their upkeep lookout architectural types and general hiking tips while an appendix provides an overview to a handful of additional lookouts in the state that are not hikable

**Western Washington and the Cascades** Joan Burton, 2006 The first of a new series of popular family guides combines new material and features in a handy user friendly format *Olympic Mountains Trail Guide* Robert Wood, 2020-09-04 A classic guidebook to the Olympic Mountains freshly updated The most comprehensive and authoritative guide to the Olympics Sales of this new edition benefit Olympic Mountain Rescue Olympic Mountains Trail Guide is a treasured classic guidebook to one of the region s top hiking destinations Reading Bob Wood s text is like having an old friend describe last weekend s hike to you Wood passed away in 2003 but Bill Hoke Doug Savage and volunteers from the Peninsula Wilderness Club picked up the reins to do a thorough update Every trail has been rehiked and fact checked Every new trailhead or rerouted path is documented in the descriptions and 30 all new trails have been added bringing the total number of hikes to 206 within Olympic National Park and Olympic National Forest But Wood s voice and even his original overview maps have

been retained lending this edition a classic tone while the information is decidedly current      **Written in the Snows** Lowell  
 Skoog, 2021-10-01 Century of Northwest wilderness skiing stories by noted expert 150 black and white and color  
 photographs Celebrates the friluftsliv or open air living spirit of backcountry skiing In *Written in the Snows* renowned local  
 skiing historian Lowell Skoog presents a definitive and visually rich history of the past century of Northwest ski culture from  
 stirring and colorful stories of wilderness exploration to the evolution of gear and technique He traces the development of  
 skiing in Washington from the late 1800s to the present covering the beginnings of ski resorts and competitions the  
 importance of wild places in the Olympic and Cascade mountains including Oregon's Mount Hood and the friluftsliv or open  
 air living spirit of backcountry skiing Skoog addresses how skiing has been shaped by larger social trends including  
 immigration the Great Depression war economic growth conservation and the media In turn Northwest skiers have affected  
 their region in ways that transcend the sport producing local legends like Milnor Roberts Olga Bolstad Hans Otto Giese Bill  
 Maxwell and more While weaving his own impressions and experiences into the larger history Skoog shows that skiing is far  
 more than mere sport or recreation      Historic Building Inventory, Olympic National Park ,1984      Mountains Of Memory  
 Don Scheese, 2001-11 In *Mountains of Memory* seasoned wilderness dweller Don Scheese charts a long season of watching  
 for and fighting fires in Idaho's River of No Return Wilderness 151 the largest federal wilderness area in the mainland United  
 States An inspiring tale of self discovery *Mountains of Memory* paints a complex portrait of the natural institutional and  
 historical forces that have shaped the great forested landscapes of the American West A student of nature writing as well as  
 a fire lookout with over a decade of experience Scheese recounts his life at the top of the world along with daring adventures  
 such as backpacking and mountaineering in the Bighorn Crags and kayaking down the Middle Fork of the Salmon River All  
 the while he touches upon the mysterious and powerful realities of the wilderness around him and stunning dawn visible  
 within the glass cage perched on a 9 000 foot mountain stirring flashes of lightning visible all around the dark landscape as  
 the radio crackles with reports of strikes observed and fires spotted long awaited trips down the mountain to civilization for  
 cold beer and hot pizza In the tradition of Edward Abbey and Gary Snyder Don Scheese offers readers a meditation on the  
 meaning and value of wilderness at the beginning of the twenty first century      *Historic Structures Inventory* ,1984  
 Reproductions of inventory cards with photographs for each site      *A Cultural Resource Overview* Jan L. Hollenbeck, 1987  
Upper Skykomish Valley Warren Carlson, 2009 Until 1890 human activity in the Upper Skykomish Valley was largely  
 seasonal hunting and berry picking by the small downriver Skykomish tribe After 1890 people from as far away as Europe  
 and Asia stormed into the upper valley when the Great Northern Railway was routed along the Skykomish River and news of  
 a rich strike of galena lead ore reached the outside world What followed was a frenzy of human activity where boomtowns  
 with names such as Corea Nippon Berlin Alpine and Wellington came and went some within a decade While the longest  
 railroad tunnel in the western hemisphere was being built through one part of the valley a major prizefight between Jack

Humphrey and Kid Kelly was held in the now vanished town of Scenic Building the railroad harvesting forests and extracting tons of ore required a hardy people working and living in demanding conditions *Uncle Sam's Cabins* Les Joslin,1995

Olympic Mountains Trail Guide Robert L. Wood,1991 Revised guide to every trail in the Olympics including scenic and historic highlights mileages elevations **Selected References Concerning the USDA Forest Service** ,1995 Life & Duty Les Joslin,2014-06-04

The fact of being a citizen of the United States of America offers the opportunity not the guarantee but the opportunity to live an extraordinary life Les Joslin writes in the introduction to *Life Duty* an autobiography in which he proves his thesis as he relives the first seventy years of his American adventure He shares these years in twenty chapters that comprise this three part volume Part I covers his family heritage and early years from 1943 to 1967 Part II his U S Navy career from 1967 to 1988 and Part III his life in Oregon from 1988 from Part I Chapter 5 Summer 1965 on the Toiyabe National Forest That wasn't the first time I'd dealt with an armed citizen and it wouldn't be the last Some of the challenges of my fire prevention job had nothing to do with wildfire prevention but everything to do with the fact I was sometimes the only public servant around to handle a situation It had to do with that sometimes gray area between official duty and moral obligation the previous summer on my way to Twin Lakes I detoured to check the dump I'd burned a few days before Suddenly I heard shots just as the Lone Ranger and Tonto did in the opening scene of almost every episode and what I saw as I neared the dump scared me A big beefy fortyish man standing next to a late model Cadillac sedan was firing a high powered rifle He'd heard me coming and turned as I stopped the patrol truck He didn't look particularly threatening But there were serious unknowns I didn't know him I didn't know what he might shoot at I didn't know he wouldn't shoot at me from Part II Chapter 10 November 1979 aboard USS Kitty Hawk on November 28 I got up showered and shaved put on clean khakis as usual and started toward the wardroom for breakfast the usual scent of salt and jet fuel was in the air and I had a lot on my mind I descended two ladders to the hangar bay only to be brought up short by bumping my head on a helicopter that wasn't supposed to be there A quick look around revealed seven more RH 53D Sea Stallion helicopters that their HM 16 markings told me belonged to Helicopter Mine Countermeasures Squadron Sixteen not part of the ship's air wing So that's why the swing south to Diego Garcia They'd been flown there probably in C 5As and had flown aboard last night Had I actually slept through flight quarters I forgot about breakfast climbed the ladders back to the 02 level and knocked on the door of the flag N 2's office This isn't going to work I said as he opened the door We can't fly those helicopters into a city of five million hostiles and rescue fifty hostages They don't want to hear that he replied and closed the door from Part III Chapter 15 Summer 1992 on the Deschutes National Forest As I walked toward the fire I began to think Am I doing the right thing After all I'm just a contract wilderness information specialist not part of the fire organization I hadn't been to the Deschutes National Forest's fire school I didn't have fire clothing I didn't have a fire shelter Except for a canteen I didn't have any water and I'd turned in my last red card the fire qualification card that rated me as a crew boss in 1966 when I'd

left the Toiyabe National Forest to go on active duty in the Navy That was twenty six years ago Should I be doing this Sure I answered my own question I d started out in the old Forest Service where everybody did everything I d done this many times before in the days before fire shirts and Nomex britches and fire shelters I d had five fire seasons on the Toiyabe been on a couple big fires I knew this business I knew how to keep out of trouble About the time I resolved that little issue I was at the fire     Hiking Washington Oliver Lazenby,2020-06-01 Lace up your boots and sample more than fifty hikes in spectacular Washington with its densely forested trails abundant wildlife lush foliage and hundreds of miles of cascading streams Inside this new edition you ll find up to date trail information detailed maps and clear directions from major access points as well as information on nearby lodging restaurants and events Whether you re a day tripper or long distance hiker old hand or novice you ll find trails suited to every ability and interest throughout Washington state Look inside to find Hikes suited to every ability Mile by mile directional cues Difficulty ratings trail contacts fees permits and best hiking seasons An index of hikes by category including easy day hikes and hikes to waterfalls Invaluable trip planning information including local lodging and campgrounds Full color photos throughout     **The Mountaineer** ,1981     National Woodlands ,1982     **The Publishers Weekly** ,1981     American Bookseller ,1981     The Forest Service Michael Frome,1984-04-02
