The Key Madysen Long, 2022-07-29 The Key By Madysen Long The year is 2088 and the world is different A war killed most of the population and took many of the communities One community was able to survive and rebuild after the war this community is called Nova In it lives a seventeen year old girl Kaia Five months ago Kaia lost her parents to a factory fire She starts to be drawn to a necklace that her mother wore every day and left for her after she died The only problem is that it is locked away in a memorial for the factory fire victims She manages to get the necklace from the memorial but ends up in a detention center called the Dome As she starts her new life at the Dome she finds new friends and a potential love interest She also meets the man behind the idea of the Dome Joseph is a smart charming witty middle aged man As she lives her days at the Dome she realizes that Joseph has a secret agenda that involves her and her deceased mother She learns that everyone has secrets at

the Dome including Ethan Kaia starts to learn of her mother's past projects and how she ties into them. Only the instructions for her mother's most recent project are now lost. She must fight along with Ethan and her new friends to stop Joseph from harming Nova. Throughout her journey, she must dig deep and use her brain to find messages that have been in front of her her whole life. She must also be brave and selfless as she puts her community first. She must look past surface level information and dig deeper into what her mother has left for her. She once was a young and naive girl that through the story becomes a brave fearless young woman. She must fight her own demons to stop Joseph's evil plan. She must finish what her mother has started for her.
