Lord And Christ The Implications Of Lordship For Faith And Life:

Lord and Christ Ernest C. Reisinger,1994 *E.W. Kenyon and His Message of Faith* Joe McIntyre,1997 **Ethics of Decision** George Forell,2002-10-04 The objective of this short introduction to Christian ethics is to help the reader come to a clearer understanding of the Christian life in our age For this reason Christianity is presented against the background and within the context of other present day efforts to understand the meaning of life Whether he likes it or not man must make decisions He cannot choose not to choose He must find some principle that will enable him to live coherent life an integrating principle that will determine his ethical code This Is My Story Paul Beasley-Murray,2018-06-28 This Is My Story is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader **The Church in the Power of the Spirit** Jürgen Moltmann,1993-09-01 This book which in my opinion is Moltmann s best can be recommended on the basis that it contains challenging and creative insights that can be used by the discriminating reader in the service of church renewal Moltmann represents the theology of liberation at its best and those who wish to know more about this theology would do well to study this creative and searching theologian Donald G Bloesch Christianity Today Moltmann is perhaps unsurpassed among his contemporaries in keenness of insight and rhetorical power Daniel L Migliore Theology Today Moltmann presents a stirring vision which every Christian community could well ponder With a missionary emphasis he seeks to help the reader face the question of the church s identity in the light of the contemporary political economic and social scene Religious Education *Voices of Descent* Mark Protsman,2024-03-25 Embark on a Journey Through the Shadows of Faith Prepare your heart and mind for an exploration unlike any other Voices of Dissent Exploring the Quiet Death takes you deep into the heart of a theological controversy that has silently divided believers for centuries This compelling tome offers a profound look into antinomianism or easy believism and its quiet yet profound impact on the fabric of faith From the very onset with *The Silent Death Unveiled* you will be guided through a meticulously researched historical overview unveiling the roots of a belief system that promotes faith without accompanying deeds But what makes this doctrine so alluring *The Allure of Easy Believism* chapter seeks to answer precisely that revealing the hidden seductions of this faith perspective As you journey further into this narrative you will discover the longstanding battle between traditional faith pillars and the antinomian stance Delve into chapters like *The Historical Battle* and *The Church s Fight Against*

Antinomianism to witness the unrest and division that this contest of beliefs has stirred throughout history Yet it s within the pages of Scripture s Clear Stance and How Matthew 7 13 14 Destroys Easy Believism that the voice of truth seeks to resonate offering clarity amidst confusion The allure of an effortless path to salvation is dissected revealing a hollow core through chapters such as Dead Saving Faith and Justification Without Sanctification It s a journey to uncover the essence of true conversion leading you to a profound understanding that belief and action must walk hand in hand Transformed Behavior and Total Transformation underscore the undeniable evidence of genuine faith a life utterly changed Voices of Dissent Exploring the Quiet Death is not just a book it s an invitation to explore challenge and ultimately understand the depths of your own faith Will you heed the call *Considerations on the Explications of the Doctrine of the Trinity* Stephen Nye,1694 **Lost Truths: How Evangelical Leaders Compromised Faith for Political Agendas** Rhett

Vaughn,2025-04-14 Uncover the untold story of how evangelical leaders have strayed from their spiritual mission sacrificing biblical principles for worldly influence In *Lost Truths* you ll embark on a revealing journey that exposes the insidious ways political agendas have corrupted the fabric of Christianity Delving into the machinations behind closed doors this book uncovers the web of alliances financial incentives and power struggles that have led to a departure from core biblical teachings Evangelical leaders once revered as guardians of faith have become entangled in a pursuit of power amassing wealth and cozying up to politicians to advance their own agendas The consequences of this compromise are far reaching with devastating impacts on the lives of believers The erosion of trust the spread of misinformation and the undermining of moral authority have cast a shadow over the very essence of the Christian faith This book offers a wake up call challenging readers to confront these uncomfortable truths and hold evangelical leaders accountable for their actions *Christ the Liberator* Sobrino, Jon ,2015-06-24 This landmark work in christology continues the magisterial work the Salvadoran Jesuit began in his earlier work *Jesus the Liberator* Jon Sobrino writes from the reality of faith as set in motion by the event of Jesus Christ and from the situation of the victims of history the Crucified People With whom he works *A New Systematic Theology of the Christian Faith* Robert L. Reymond,2010-01-31 A contemporary foundational statement of classic reformed faith now revised and updated Comprehensive coherent contextual and conversational Scripture saturated with more exegesis and more Scripture quotations than other one volume theologies Upholds classic Calvinist positions on baptism the Trinity church government and much more Interacts with contemporary issues and the work of other theologians Reveals the author s warmth and sensitivity born of more than 25 years as a professor at leading Reformed seminaries Numerous appendices covering special topics abundant resources for further study through footnotes and a selective bibliography A textbook for theology students a life long reference for libraries ministers teachers and professional theologians Officers of General Synod , The Institutes of Biblical Law Vol. 2 R. second volume The purpose of this second volume is to point men to God and His Word for the government of their lives and our world To serve and magnify God is the greatest of privileges and callings as is the reconstruction of all things in terms of the Word of God This after all is the purpose of life to be conformed to God Contains an appendix by Herbert Titus **The Crib, the Cross, and the Crown** Michael John Hooton, 2016-06-16 We are all familiar with the stories of what happened at the first Christmas and Easter or are we The Crib the Cross and the Crown strips away the wrapping paper of tradition and folk lore from the stories of the birth and death of Jesus Christ and takes a fresh look at what the Gospels themselves say It describes the real Jesus of the New Testament and reflects on the ways in which the recurring themes in his story can shape our own lives and faith **No Longer Slaves** Brad Ronnell Braxton, 2002 No Longer Slaves brings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slaves explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul's letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in Liberation and African American Experience are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in A Reading Strategy for Liberation are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive Community Chapters in Galatians and African American Experience are Introduction Historical Overview Interpretations and Conclusion Includes a bibliography Brad Ronnell Braxton PhD is the Jessie Ball DuPont Assistant Professor of Homiletics and Biblical Studies at Wake Forest University Divinity School

Pauline Theology and Mission Practice Dean S. Gilliland, 1996-08-01 Not since Roland Allen's book in 1912 has there appeared such a thorough study of the Apostle Paul's mission theology and methodology The value of this comprehensive survey writes Harry R Boer in the foreword lies in part in its grounding in

careful expository studies of Paul's ministry as revealed in Acts and in the corpus of the Pauline epistles. Again and again the author illustrates the abiding relevance of Paul's first century insights for missionary thought and practice in the twentieth century. He draws not only on Scripture but also on personal insights and illustrations arising from two decades of missionary service. And he enters into significant dialogue with representative missionary literature of the modern period. The book's five parts cover theology: the sources and nature of Paul's theology and his theological assumptions for mission; conversion: Paul's conversion in Acts; conversion as reality, experience and process; and conversion and the real world: the convert's new life, what its spiritual basis is and how to live it; the church: its oneness, diversity and contextuality; its leadership, worship, discipline and finance; and the missionary: his or her credentials and ministry. Paul's theology was irresistible because it was energized by a fresh life-changing experience and supported by a new love for all people, writes the author in the introduction. He then elaborates on four characteristics of that theology: it is dynamic, evangelical, pastoral and holistic. The absolute commitment of mind and body, soul and spirit that was Paul's, his love for the Lord Jesus and lost people everywhere, concludes the author in the epilogue, must be the very heart of the church.

A Universal Faith? Peoples, Cultures, Religions, and the Christ
Catherine Cornille, Valeer Neckebrouck, 1992. This volume of essays is dedicated to Frank De Graeve, S.J., Professor Emeritus of Missiology and the Comparative Study of Religions at the K.U. Leuven. Throughout a long teaching career in the United States and Belgium, his two main concerns have been the inculturation of Christianity in the various continents and particular contexts and the theological reflection on religious pluralism. The contributions to this collection are therefore centered around these two topics. Valeer Neckebrouck and Catherine Cornille are Frank De Graeve's successors in the fields of Missiology and the Comparative Study of Religions, respectively. Valeer Neckebrouck is the author of *La Tierce Eglise devant le probleme de la culture* among numerous other works, and Catherine Cornille's *The Guru in Indian Catholicism* has already appeared in this series.
