educated and inspired as you turn each page This book is a must read for all women regardless of age **Conspiracy or Faith ~ the Building of the God Kind of House** Ollie Fobbs,2017-02-04 Conspiracy or faith is about the concepts that makes faith a reality to build the God kind of house is about building up our faith based on the reality of the house being built we all know that faith comes through hearing however what if that in which you hear is not of the faith Yes this happens every single day There are tons of things in front of us all around us and right next to us that have nothing to do with faith in God but we then allow these things to be a part of our lives when we should be tossing them out of our lives The true convictions of faith are quite simple but there are those that say that it is quite hard the truth is the truth and the truth will indeed set us free but then what really is truth The standards of our day is this the lie is accepted the truth is rejected You want to make someone angry Tell them the truth it will destroy your relationship with them However that means that they were not meant to grow with you **Journey to Joy** Josh Moody,2013-04-30 Embedded in the Bible is an underused handbook for moving step by step through real life with real joy This is a guide to that journey It will take you through each of the 15 steps from disappointment to rejoicing Along the way you will discover how to follow God in family life in church at work when people hurt you when you need help when you need a laugh and more The Psalms of Ascent were designed to make us happy pilgrims through the test of life without faking it and without failing it Read this book and embark on a journey to joy **Daily Devotion** Grace Dillon,2023-08-16 I am not a theologian a scholar pastor minister or any of the other titles used by those who would deem themselves able to write about God In fact I am as far removed from those vocations as one could get My working life has been in finance and information technology But as one who was pursued by God and who has been pursuing Him ever since I have experienced an overwhelming desire to know Him and His story I have gone to the only reliable source I know the Bible and have been reading it through each year for over forty years I have yet to discover its depths This book is one years worth of discoveries A lot of the time there are more questions than answers but our God is that big He is the creator of the universe after all **Basis of Preaching Biblical Message: Preach the Word** Rev Dr koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour

while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book
