Lord Of Alaska: The Story Of Baranov And The Russian Adventure

Hector Chevigny

Note: This is not the actual book cover

Lord Of Alaska Baranov

Michal Rosen-Zvi

Lord Of Alaska Baranov:

Lord of Alaska Hector Chevigny, 1946 Nancy Gates, 2005-11-01 With facts and figures on geography history economy cultures and peoples of the Last Frontier the 29th edition is packed with all about Alaska information for people who dream of visiting Alaska as well as long lasting sourdoughs **Russians in Alaska, 1732-1867** Lydia Black, 2004 This definitive work the crown jewel in the distinguished career of Russian America scholar Lydia T Black presents a comprehensive overview of the Russian presence in Alaska Drawing on extensive archival research and employing documents only recently made available to scholars Black shows how Russian expansion was the culmination of centuries of social and economic change Black s work challenges the standard perspective on the Russian period in Alaska as a time of unbridled exploitation of Native inhabitants and natural resources Without glossing over the harsher aspects of the period Black acknowledges the complexity of relations between Russians and Native peoples She chronicles the lives of ordinary men and women the merchants and naval officers laborers and clergy who established Russian outposts in Alaska These early colonists carried with them the Orthodox faith and the Russian language their legacy endures in architecture and place names from Baranof Island to the Pribilofs This deluxe volume features fold out maps and color illustrations of rare paintings and sketches from Russian American Japanese and European sources many have never before been published An invaluable source for historians and anthropologists this accessible volume brings to life a dynamic period in Russian and Alaskan history A tribute to Black s life as a scholar and educator **Russians in Alaska** will become a classic in the field **Alaska History, 1741-1910** Historic Sites Survey (U.S.), United States. National Park Service, 1961 Alaska's History Harry Ritter, 1993-04-01 A lively take along account of Alaska s sweeping history made vivid with historical photos and entertaining essays Topics covered include Native lifestyles before contact with the Europeans Alexander Baranov and the Russian fur trade John Muir s visit to Glacier Bay in 1879 the Klondike gold rush stampede pioneer climbs on Mount McKinley the exploits of early Alaska Bush pilots big game hunting in the North Country Alaska s fisheries where salmon is king and today s Native traditions A history book that s fun to read Alaska s History sets forth the Last Frontier s glorious past and challenging present California David Sievert Lavender, 1987-01-01 From the earliest Spanish explorations in the late 1500s through the present California s history and growth have been both tumultuous and phenomenal All the historical facts are here the missions and the Indians the struggles between the Mexicans and the Americans the fabulous gold rushes statehood in 1850 railroad wars furious labor upheavals the disastrous scandals and bankruptcies of the 1920s and the recent gigantic tamperings with nature David Lavender tells with unusual clarity and grace the story of a beautiful state s rise to gigantism In an afterword to this Bison Book edition he looks at California today *First Man West* Sir Alexander Mackenzie, 1962 Currents in Anthropology Robert Hinshaw, 2011-06-01 No detailed description available for Currents in Anthropology **Imperial Russia and the Struggle for Latin American Independence, 1808-1828** Russell H. Bartley, 2014-10-03 This study the first of its kind in

English examines Russian responses to the independence movement in Latin America during the early nineteenth century. From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America's relations with the major world powers. In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion. The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European perspective the actual impact of tsarist policy on the course of those historic events. Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain, Portugal, Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies.

People of the Northern Seas Lewis R. Fischer, Walter Minchinton, 2017-10-18 This volume aims to continue the expansion of maritime history beyond the narrow definition of the study of ships to include all people involved in seagoing activities. The volume consists of eleven articles exploring the people of Northern seas spanning the seventeenth to nineteenth centuries and primarily focused on Europe. They were originally presented at a 1992 Finland conference of the Association for the History of the Northern Seas. The articles are broad in scope and are collected here with the intention of stimulating further academic research into the lives and histories of the people of the Northern seas which the editors at the time of publication consider under-examined. The articles are divided into three sections: the first examining livelihoods dependant on the ocean: seamen, fishermen. The second group examines maritime mercantile communities: merchants, shipowners, shipbrokers. The final group examines maritime culture encompassing the navy and the coastguard. *Harold Innis and the North* William J. Buxton, 2013-06-01 Harold Innis is widely understood as the proponent of the Laurentian school of historiography which mapped Canadian development along an East-West axis. Harold Innis and the North turns the axis North-South by examining Innis's intense and abiding interest in the North and providing new perspectives on this seminal figure in Canadian political economy and communication studies. This collection reveals that Innis's advocacy of the North was closely bound up with his vision of northern Canada as the site of a second industrial revolution based on mining, hydro-electric power, pulp and paper and enabled by new forms of transportation. Long preoccupied with Canada's coming of age as a balanced and integrated industrial nation-state, Innis grappled with the same issues about the North in the Canadian nation that we are dealing with today. Chapters explore the breadth of Innis's northern activities including his early studies of the fur trade, his biography of eighteenth-century explorer and cartographer Peter Pond, his review essays on the North for the Canadian Historical Review, his leadership of the Rockefeller-sponsored Arctic Survey and his trip to the Soviet Union. *Harold Innis and the North* crafts a new narrative about the nature and scope of Innis's intellectual project and provides a unique appreciation of his multi-faceted professional identity. Contributors include Sergei Arkhipov, North Ossetian State

University and NGO Vladikavkaz Institute of Economics Jeffrey Brison Queens George Colpitts Calgary Matthew Evenden UBC Barry Gough Churchill College Cambridge and Kings College London Paul Heyer Wilfrid Laurier Jim Mochoruk North Dakota Liza Piper Alberta Shirley Roburn Concordia Peter van Wyck Concordia Jeff Webb Memorial *Glorious Misadventures* Owen Matthews, 2013-08-01 The Russian Empire once extended deep into America in 1818 Russia's furthest outposts were in California and Hawaii The dreamer behind this great Imperial vision was Nikolai Rezanov diplomat adventurer courtier millionaire and gambler His quest to plant Russian colonies from Siberia to California led him to San Francisco where he was captivated by Conchita the fifteen year old daughter of the Spanish Governor who embodied his dreams of both love and empire From the glittering court of Catherine the Great to the wilds of the New World Matthews conjures a brilliantly original portrait of one of Russia's most eccentric Empire builders **First Man West** Alexander Mackenzie, Walter Sheppe, *Crystals Out of Chaos* Lesley Marx, 1997 In this new study of the novels of John Hawkes author Lesley Marx has brought to light insights from the three novels Hawkes has published in the last ten years as well as from his other works According to Marx all three of these new novels continue to attest to the fertility of Hawkes's imagination and the fine crafting of his prose But at least two of the new works *Adventures in the Alaskan Skin Trade* and *Sweet William A Memoir of Old Horse* also reveal an expansive and transformative vision that celebrates the shifting and fluid possibilities of authority writing storytelling and gender **We Shall Be Masters** Chris Miller, 2021-06-08 An illuminating account of Russia's attempts and failures to achieve great power status in Asia Since Peter the Great Russian leaders have been lured by opportunity to the East Under the tsars Russians colonized Alaska California and Hawaii The Trans Siberian Railway linked Moscow to Vladivostok And Stalin looked to Asia as a sphere of influence hospitable to the spread of Soviet Communism In Asia and the Pacific lay territory markets security and glory But all these expansionist dreams amounted to little In *We Shall Be Masters* Chris Miller explores why arguing that Russia's ambitions have repeatedly outstripped its capacity With the core of the nation concentrated thousands of miles away in the European borderlands Russia's would be pioneers have always struggled to project power into Asia and to maintain public and elite interest in their far flung pursuits Even when the wider population professed faith in Asia's promise few Russians were willing to pay the steep price Among leaders too dreams of empire have always been tempered by fears of cost Most of Russia's pivots to Asia have therefore been halfhearted and fleeting Today the Kremlin talks up the importance of strategic partnership with Xi Jinping's China and Vladimir Putin's government is at pains to emphasize Russian activities across Eurasia But while distance is covered with relative ease in the age of air travel and digital communication the East remains far off in the ways that matter most Miller finds that Russia's Asian dreams are still restrained by the country's firm rooting in Europe **The Last Stand of the Raven Clan** Gerald Easter, Mara Vorhees, 2024-10-29 A dynamic history of the Battle of Sitka that recognizes the vital importance of the Tlingit people their fight against Imperial Russia and how it changed the fate of the North

America If the long term plans of Peter the Great had been realized then California never would have become a Spanish colony asserted the head of the Russian American Company At the turn of the nineteenth century Russia was a rising power in North America The Tsar s empire extended across the Bering Sea through the Aleutians and Kodiak Island and down the Alaskan panhandle The objective of this imperialist project was to corner the lucrative North Pacific fur trade and colonize the American coastline all the way to San Francisco Bay The audacious scheme was moving apace until the Russians were finally confronted and stalled on the battlefield When Russia went to war in America the fate of a continent was at stake Yet it was neither the Old World rivals Spain and Britain nor the upstart United States who stopped Russian expansion but a coalition of defiant Tlingit tribes The Last Stand of the Raven Clan is the true story of how the indigenous Tlingit people of southeast Alaska thwarted Imperial Russia s grand plan of conquest in North America Leading the charge was the young war chief Kalyan a hero as fierce and courageous as Crazy Horse or Geronimo The Tlingit stance against Russian colonization during the Battle of Sitka and beyond was arguably the most successful indigenous resistance against European imperialism in North America Tlingit oral histories and Russian eyewitness accounts bring this history to life shedding light on events both inspiring and infamous the Massacre at Refuge Rock one of Native America s worst atrocities the Survival March the perilous Tlingit retreat to avoid Russian capture and enslavement and the cutthroat competition between the U S and Russia to control the northern Pacific Ultimately The Last Stand of the Raven Clan chronicles the determined struggle for survival of the Tlingit people in their ancestral homeland and places the Battle of Sitka in its rightful spot as a key turning point in North American history

Time Briton Hadden, Henry Robinson Luce, 1942-10 [Russian Colonization of Alaska](#), 2020-11 In Russian Colonization of Alaska Baranov s Era 1799-1818 Andrei Valterovich Grin v examines the sociohistorical origins of the former Russian colonies in Alaska or Russian America The formation of the Russian American Company and the concentration in the hands of Aleksandr Baranov of all the power in south and southeast Alaska s Russian settlements marked a new stage in the history of Russian America Expanding and strengthening Russian possessions in the New World as much as possible Baranov acted in favor of his country before himself in accordance with the principle people for the empire and not the empire for the people Russian Colonization of Alaska is the first comprehensive study to analyze the origin and evolution of Russian colonization based on research into political economy history and ethnography Grin v s study elaborates the social political spiritual ideological personal and psychological aspects of Russian America accounting for the idiosyncrasies of the natural environment competition from other North American empires and challenges from Alaska Natives and individual colonial diplomats Rather than being simply a continuation of Russians colonization of Siberia the colonization of Alaska was instead part of overarching Russian and global history

Klondike Pierre Berton, 2011-02-11 With the building of the railroad and the settlement of the plains the North West was opening up The Klondike stampede was a wild interlude in the epic story of western development and here are its dramatic tales of hardship heroism and villainy We

meet Soapy Smith dictator of Skagway Swiftwater Bill Gates who bathed in champagne Silent Sam Bonnifield who lost and won back a hotel in a poker game and Roddy Connors who danced away a fortune at a dollar a dance We meet dance hall queens paupers turned millionaires missionaries and entrepreneurs and legendary Mounties such as Sam Steele the Lion of the Yukon Pierre Berton's riveting account reveals to us the spectacle of the Chilkoot Pass and the terrors of lesser known trails through the swamps of British Columbia across the glaciers of southern Alaska and up the icy streams of the Mackenzie Mountains It contrasts the lawless frontier life on the American side of the border to the relative safety of Dawson City Winner of the Governor General's award for non fiction Klondike is authentic history and grand entertainment and a must read for anyone interested in the Canadian frontier

The Klondike Fever: The Life And Death Of The Last Great Gold Rush Pierre Berton, 2015-11-06 Absolutely first rate The New Yorker This thrilling story is at once first rate history and first rate entertainment Incredible events occurred in North America after a decrepit steamboat docked at Seattle in 1897 containing two tons of pure gold So frenzied was the clash for gold and so scant was information about conditions in the Klondike that the rush for riches became a kind of fabulous madness The entire tale of which Pierre Berton's account is the definitive telling has an epic ring legends were lived and fortunes were won as much because of its splendid folly as because of its color and motion The definitive account of an affair as wildly improbable as any in North American history Saturday Review A lively saga of the great gold rush It is the most complete and most authentic on the subject in English The New York Times Book Review
