,1924 **Monthly Bulletin of Books, Pamphlets and Magazine Articles Dealing with International Relations** Association for International Conciliation,1912 **Monthly Bulletin of Books, Pamphlets and Magazine Articles Dealing with International Relations** ,1912 On the Stump Sean Scalmer,2017-09 Stumping or making political speeches in favor of a candidate cause or campaign has been around since before the 1800s when speechmaking was frequently portrayed as delivered from the base of a tree The practice which has been strongly associated with the American frontier British agitators and colonial Australia remains an effective component of contemporary democratic politics In his engaging book On the Stump Sean Scalmer provides the first comprehensive transnational history of the stump speech He traces the development and transformation of campaign oratory as well as how national elections and public life and culture have been shaped by debate over the past century Scalmer presents an eloquent study of how stumping careers were made sustained remembered and exploited to capture the complex rhythms of political change over the years On the Stump examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett Henry Clay and William Gladstone Ultimately Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged **Gilded Age Entrepreneur** Simon Cordery,2025-09-15 Simon Cordery's **Gilded Age Entrepreneur** illuminates the fascinating and chaotic business world of Albert Pullman The influential but little known older brother of George Pullman and the craftsman of the family Albert designed the first luxurious Pullman railroad cars and hosted promotional trips to show them off In those heady early days he met national business and political leaders and hired the first Pullman porters Albert and George made a formidable team but as the Pullman Company grew Albert's role shrank He turned to his own investment portfolio often with disastrous results Beginning with the industrial laundry that cleaned sleeping car linens Albert appeared before the Supreme Court after a catastrophic insurance investment ran afoul of federal banking regulations and failed in an attempt to corner wheat futures With evermore unsuccessful speculations Albert was tempted by extralegal land sales and entered the silver mining game Finally his own family in crisis and his relationship with George shattered Albert Pullman launched into one last round of adventurous investments with mixed results **Gilded Age Entrepreneur** demonstrates that Albert Pullman embodied the small time investors who were legion after the Civil War From banking and insurance to manufacturing and mining a host of hopeful dreamers like Albert Pullman fueled the circulation of capital by forging political connections creating and losing businesses issuing shares and longing for profit The Review of Reviews ,1896 **The Review of Reviews** Albert Shaw,1897 *Prisons, Asylums, and the Public* Janet Miron,2011-03-05 The prisons and asylums of Canada and the United States were a popular destination for institutional tourists in the nineteenth century Thousands of visitors entered their walls recording and describing the interiors inmates and therapeutic and reformatory practices they encountered in letters diaries and articles Surprisingly the vast majority of these visitors were not members of the medical or legal elite but were ordinary people *Prisons Asylums and the Public* argues

that rather than existing in isolation these institutions were closely connected to the communities beyond their walls

Challenging traditional interpretations of public visiting Janet Miron examines the implications and imperatives of visiting from the perspectives of officials the public and the institutionalized Finding that institutions could be important centres of civic activity self edification and scientific study Prisons Asylums and the Public sheds new light on popular nineteenth century attitudes towards the insane and the criminal *The Anglo-American Magazine* ,1902 Review of Reviews for Australasia William Henry Fitchett, Henry Stead, William H. Judkins, 1899 **Canada's Governors General, 1847-1878** Barbara Jane Messamore, 2006-01-01 Oft ignored in the study of Canadian history or dismissed as a vestige of colonial status the governor general s office provides essential historical insight into Canada s constitutional evolution In the nineteenth century as today individual governors general exercised considerable scope in interpreting their approach to the office The era 1847 1878 witnessed profound changes in Canada s relationship with Britain and in this new book Barbara J Messamore explores the nature of these changes through an examination of the role of the governor general Guided by outmoded instructions and constitutional conventions that were not yet firmly established the governors general of the time Lord Elgin Sir Edmund Head Lord Monck Lord Lisgar and Lord Dufferin all wrestled with the implications of colonial self government The imprecision of the viceregal role made the character of the appointee especially important and biographical details are thus essential to an understanding of how the new experiment of colonial self government was put into practice Messamore s book marries constitutional history and biography providing illumination on some of the key figures of nineteenth century Canadian politics
