Stories (Annotated) Oscar Wilde,2020-08 Differentiated book It has a historical context with research of the time This book
contains a historical context where past events or the study and narration of these events are examined The historical
context refers to the circumstances and incidents surrounding an event This context is formed by everything that in some
way influences the event when it happens A fact is always tied to its time that is to its time Therefore when analyzing events
that took place tens hundreds or thousands of years ago it is essential to know the historical context to understand them
Otherwise we would be analyzing and judging what happened in a totally different era with a current perspective Lord Arthur
