God's Retribution Day** Francis Smith Jr, 2012-04 The ancient prophets were a different breed Though embedded in the midst of the people administering and serving in much the same capacity as their counterparts an inner longing to know set them apart It was not enough to be a minister of the Lord they wanted to know the intent of the one for whom they ministered For them the morning sunrise was the beginning of another day's inquiry an inner desire to believe life on a rock eternal It is through them the Creator finds voice as the prophet scans the world's panorama with spiritual eyes ever longing that all people would see what they see and understand what is heard It is the cry Moses had for Israel that all would be prophets Above all you must understand that no prophecy of Scripture came about by the prophet's own interpretation For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit 2 Peter 1:20-21 NIV The Bible is both history and a prelude of history with an impeccable purpose It does not deviate in dealing with three objectives the fall of humanity its redemption and final liberation As a world's best seller it is faulted for removing the mystique updating and critiquing future events only as those events occur Until the Bible deliberates the archives of world history are mere fillers of rampant human instinct But its final resolution is here with immense biblical documentation with the promise to be understood by all people Keeping in mind that God's intent remains to redeem and liberate even to the very door of human extinction      **It's Happening** William McDowell, 2018 REVIVAL IS HERE      **Making Things Happen for the Lord** Pamela Powell Tawbush, 2012-03 *Making Things Happen* is a Survival Manual for those who desire to abound in the work of the Lord The church contains many types of personalities which creates a challenge for those who desire to Make Things Happen for the Lord As we attempt to walk in the fullness of God and carry on the works of Jesus keeping unity within the Church can be a challenging endeavor Having an understanding of what to expect will be the key to survival Realizing and having an understanding that there are generally three types of people who make up the Church world will equip leaders and laymen with the tools to excel The Lord's will is that we have the strength and wisdom to keep peace and harmony within the Church as we face the challenge of working with Those Who Make Things Happen Those Who Watch Things Happen and Those Who Wonder What Happened Pamela Powell Tawbush and her husband Stanley pioneered the ministry of RESTORATION in Northport Alabama in 1992 Together they believe in the Balance of the Word and the Holy Spirit and believe it is that Balance which makes up the infallible TRUTH While in the ministry of RESTORATION they have traveled and preached the message that it is the will of God to
