[The True Meaning of the Last Supper: Welcoming Others](#) Donald R. Steelberg, 2011-07-26 Do you ever ask yourself why the first celebration of Holy Communion that we have says nothing about the forgiveness of sins why the Apostle Paul is very careful about the way he describes the cup as a new covenant or why doesn't he demand that the leader of the congregation in Corinth straighten these folk out What happened that caused Holy Communion today to become all about the forgiveness of sin Would those Corinthians have any conception of a charge that they had caused Jesus to die for them Paul doesn't accuse them The True

Meaning of the Last Supper Welcoming Others seeks answers for these and other questions Developments in church life in the first century described in the pages of the New Testament but also gleaned from the history of that first century and succeeding years may change your understanding of Communion today *The Emergence of the Church* Arthur G. Jesus and the Temple Simon J. Joseph, 2016-01-08 Most Jesus specialists agree that the Temple incident led directly to Jesus' arrest, but the precise relationship between Jesus and the Temple's administration remains unclear. Jesus and the Temple examines this relationship, exploring the reinterpretation of Torah observance and traditional Temple practices that are widely considered central components of the early Jesus movement. Challenging a growing tendency in contemporary scholarship to assume that the earliest Christians had an almost uniformly positive view of the Temple's sacrificial system, Simon J. Joseph addresses the ambiguous, inconsistent and contradictory views on sacrifice and the Temple in the New Testament. This volume fills a significant gap in the literature on sacrifice in Jewish Christianity. It introduces a new hypothesis positing Jesus' enactment of a program of radically nonviolent eschatological restoration, an orientation that produced Jesus' conflicts with his contemporaries and inspired the first attributions of sacrificial language to his death

Worship in the Early Church Ralph P. Martin, 1974 Refers to New Testament teachings while delineating the nature of early Christian worship of God. Bibliography

Martin Bucer (1491-1551) Marijn de Kroon, Willem van't Spijker, 2018-07-16 This present volume aims to stimulate Bucer research as it brings together a selection of the best of De Kroon's and Van't Spijker's articles, some of which appear for the first time in English translation. In the first section, Bucer is described as taking his independent stand in the patristic and scholastic tradition. The next five articles go into the close personal and theological relation between Bucer and John Calvin and make clear how much of Bucer works through in Calvin and Calvinism. Bucer's efforts to bridge theological and ecclesiastical gaps brought him often in discussion with Catholic as well as Protestant theologians. How he dealt with this is the topic of the third section in this volume. The two following articles deal with his view on discipline and on the right of resistance. The next articles deal with Bucer's doctrinal legacy and the last section focuses on sanctification as one of the most important characteristics of his theology. The most important issues of contemporary Bucer research and the outlines of his theology are convincingly presented in this volume by known experts for this topic

Paul and the Lord's Supper Panayotis Coutsoumpos, 2005 Most of Paul's letters, especially First Corinthians, were written in the context of conflict with troublemaking opponents and the social dilemma at the Lord's Supper in Corinth. First Corinthians provides a unique glimpse into the social custom of the Christian congregation in a Greco-Roman environment during the early years of the Christian Church. Much effort has gone into reconstructing what happened at the Lord's Supper and the social issues that were involved. More recently, attention has focused on the Corinthian congregation itself and how Paul solved the issue of idol food and dining in a pagan temple.
