Restructuring and Substantial School Improvement Herbert J. Walberg, 2007-08-01 Published in cooperation with The Center on Innovation Improvement As suggested by the title the purpose of this Handbook on Restructuring and Substantial School Improvement is to provide principles for restructuring and substantially improving schools Sponsored by the U S Department of Education the Center on Innovation Improvement CII engaged leading experts on restructuring and school improvement to prepare modules for this handbook to assist states districts and schools in establishing policies procedures and support to successfully restructure schools The Handbook is organized into three sections The topic of the Handbook s modules restructuring with a focus on the district as the impetus for dramatic improvement is relatively new in the nation s education history For this reason the module authors were selected because they are highly experienced experts in their fields and can be counted on to judiciously weigh the less than definitive evidence and to state useful guiding principles

Creating a Healthy School Using the Healthy School Report Card David K. Lohrmann, 2010 Successful students are not only knowledgeable but also emotionally and physically healthy motivated civically engaged prepared for work and economic self sufficiency and ready for the world beyond their own borders To help students meet this standard a school must use a coordinated evidence based approach that supports learning teaching and student growth in short the school must create a healthy school community This action tool and accompanying online scoring and analysis tool offers a practical strategy for structuring your school environment to support the development of students who have the knowledge skills and abilities to make healthy choices Updated to reflect current research new standards and best practices the second edition of the action tool guides you through the four steps of the Healthy School Report Card process with rationale tips from successful participants and easy to use tools Tools for organizing can help you develop a school level process for working with your community You can then use the scoring tools to assess your school s current health programming and create an evidence based environment that supports learning and teaching With the tools for reporting you can use the Healthy School Report Card to meet required guidelines and identify and prioritize areas for improvement The data you collect can assist your ongoing efforts to garner the support of policymakers family members and the community *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 **Critical Race Counterstories along the Chicana/Chicano Educational Pipeline**

Tara J. Yosso,2013-02-01 Chicanas/os are part of the youngest largest and fastest growing racial ethnic minority population in the United States yet at every schooling level they suffer the lowest educational outcomes of any racial ethnic group Using a counterstorytelling methodology Tara Yosso debunks racialized myths that blame the victims for these unequal educational outcomes and redirects our focus toward historical patterns of institutional neglect She artfully interweaves empirical data and theoretical arguments with engaging narratives that expose and analyse racism as it functions to limit access and opportunity for Chicana/o students By humanising the need to transform our educational system Yosso offers an accessible tool for teaching and learning about the problems and possibilities present along the Chicana/o educational pipeline
