I Was and I Am Dust David M. Mellott, 2009-10-01 There are a variety of people practices and celebrations in the Catholic Church At times some of these can be dismissed too easily as extreme superstitious or uninformed Such is the case with the Penitentes of New Mexico In *I Was and I Am Dust* David M Mellott shares his experiences of the Penitentes as an outsider He explains their struggles with the institutional church and some of the seemingly extreme rituals they facilitate during Holy Week Through the voice of Larry Torres one of the senior members of the Penitentes Mellott poignantly provides readers with a more intimate picture of this community of practitioners Yet so much more than an analysis written by an outsider this work attempts to understand the experience of those within a group whose practices are considered outside the mainstream With Mellott and Torres readers may be surprised to discover a depth of meaning in these practices and to realize the beauty of being dust David M Mellott is assistant professor of practical theology and director of ministerial formation at Lancaster Theological Seminary where he teaches courses in philosophy ethnography and theology of ministry He is committed to supporting and nurturing Christian
