Ignota series World Peace turns into global civil war In the future the leaders of Hive nations nations without fixed location  
clandestinely committed nefarious deeds in order to maintain an outward semblance of utopian stability But the facade could  
only last so long The comforts of effortless global travel and worldwide abundance may have tempered humanity s darkest  
inclinations but conflict remains deeply rooted in the human psyche All it needed was a catalyst in form of special little boy to  
ignite half a millennium of repressed chaos Now war spreads throughout the globe splintering old alliances and awakening  
sleeping enmities All transportation systems are in ruins causing the tyranny of distance to fracture a long united Earth and  
threaten to obliterate everything the Hive system built With the arch criminal Mycroft nowhere to be found his successor

became co editor and in the dark days following the political upheaval in China in 1989 Swortzell assumed much of the  
burden of editing organizing clearing rights and generally readying the final volume The essays included capture the
