Finding Grace Jane Nicolet, 2018-10-25 The journey from grief to Grace Inevitably difficult change and loss become realities for each of us and too often profound grief is only steps behind Finding Grace uses the author's personal experience as well as authentic stories of grieving parents to maintain the assertion that grace is every bit as close as grief living fully available in every human heart during troublesome times The soulful calls of grace when answered through such avenues as traditional faith spiritual mysteries supportive community mindful reflection and acceptance and loving rituals serve to carve new pathways beyond life mired in a grief filled reality The nineteen stories and eight essays presented in Finding Grace journeys of grief courage and healing follow those who are moving forward charting their own next steps toward grace

Finding Grace Loretta Rothschild, 2025-07-08 NATIONAL BESTSELLER A July Indie Next Pick A strikingly original and deeply moving debut People Begins with such a gasp inducing twist that it's almost impossible to describe Real Simple The literary book of the summer Sarah Gelman CBS Mornings SHE THOUGHT IT WAS FATE I KNEW IT WASN'T Honor seems to have everything she adores her bright and beautiful daughter Chloe and her charming handsome husband Tom even if he works one hundred hours a week Yet Honor's longing for another baby threatens to eclipse all of it until a shocking event changes their lives forever Years later Tom makes a decision that ripples through their families lives in ways he could never have foreseen As the consequences of that fateful choice unfold two women's paths become irrevocably intertwined But when old love clashes with new who will be left standing And what happens when your secrets come back to haunt you Blending a page turning moral dilemma with satisfying emotional poignancy Finding Grace is a sweeping love story that explores the price of a new beginning how the ghosts of our past shape our future and whether redemption can be found in the wreckage of what we've lost Finding Our Voice Matthew D. Kim, Daniel L. Wong, 2020-06-17 No one

preaches in a cultural vacuum The message of what God has done in Christ is good news to all but to have the greatest impact on its hearers or even to be understood at all it must be culturally contextualized Finding Our Voice speaks clearly to an issue that has largely been ignored preaching to Asian North American ANA contexts In addition to reworking hermeneutics theology and homiletics for these overlooked contexts Kim and Wong include examples of culturally specific sermons and instructive questions for contextualizing one's own sermons Finding Our Voice is essential reading for all who preach and teach in ANA contexts But by examining this kind of contextualization in action all who preach in their own unique contexts will benefit from this approach Uncommon Ground Timothy Keller, John Inazu, 2020-04-14 How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different

but that also remains faithful to the gospel Join bestselling author Timothy Keller and legal scholar John Inazu as they bring together illuminating stories to answer this vital question In Uncommon Ground Keller and Inazu bring together a thrilling range of artists thinkers and leaders to provide a guide to living faithfully in a divided world including Lecrae a recording artist songwriter and record producer Claude Richard Alexander Jr senior pastor of The Park Church in Charlotte North Carolina Rudy Carrasco a program officer for the Murdock Charitable Trust Sara Groves a singer and songwriter Shirley V Hoogstra president of the Council for Christian Colleges and Universities Kristen Deede Johnson a professor of theology and Christian formation at Western Theological Seminary Warren Kinghorn a professor of psychiatry and theology at Duke University Tom Lin president of InterVarsity Christian Fellowship Trillia Newbell director of community outreach for the Ethics and Religious Liberty Commission of the Southern Baptist Convention Tish Harrison Warren an Anglican priest at the Church of the Ascension in Pittsburgh Pennsylvania With varied and enlightening approaches to reaching faithfully across deep and often painful differences Uncommon Ground shows us how to live with confidence joy and hope in a complex and fragmented age Praise for Uncommon Ground For anyone struggling to engage well with others in an era of toxic conflict this book provides a framework steeped in humility that is not only insightful but is readily actionable I m grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book The task of learning to love well neighbors and enemies alike is long and urgent and it can be costly And yet as this book shows us because it is the work of Jesus we can pursue this love with great hope Gary A Haugen founder and CEO International Justice Mission

Last Day on Earth Eric Puchner, 2017-02-21 A boy on the edge of adolescence fears his mother might be a robot a psychotically depressed woman is entrusted with taking her niece and nephew trick or treating a reluctant dad brings his baby to a coke fueled party a teenage boy tries to prevent his mother from putting his estranged father s dogs to sleep Ranging from a youth arts camp to an aging punk band s reunion tour from a dystopian future where parents no longer exist to a ferociously independent bookstore the stories in this collection revolve around the endlessly complex frequently surreal system that is family

worldview Interwoven with the gospel themes both false and true are a number of other encounters with angels skeptics seekers temptresses and travelers with a variety of religious viewpoints The allegory illuminating and penetrating through stressing the fundamental notion of salvation from sin not only its consequences aims to undercut some of the most prevalent misconceptions of the gospel message today The result is a narrative that will both delight and educate is both ponderous and free flowing and will both entrench Christians in some of their most beloved doctrines and challenge the very foundations of their theology
