Lost And Found Stories Of Morley Callaghan:

The Lost and Found Stories of Morley Callaghan Morley Callaghan,1986 **The Lost and Found Stories of Morley Callaghan** Morley Callaghan,1985 Twenty six short stories never before published in book form Morley Callaghan at his best **The Complete Stories** Morley Callaghan,2003 The complete short fiction of Morley Callaghan appears as he comes into full recognition as one of the singular storytellers of our time In four volumes several stories are collected for the first time two of which *An Autumn Penitent* and *In His Own Country* have been out of print for decades *The English Short Story in Canada* Reingard M. Nischik,2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro **The Canadian Short Story** Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany [A Reader's Companion to the Short Story in English](#) Erin Fallon,R.C. Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader s Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on

short story theory **Morley Callaghan and His Works** Gary Boire,1991 These studies of Canadian authors fulfill a real need in the study of Canadian literature Each monograph is a separately bound study of about 55 pages Each contains a biography of the author a description of the tradition and milieu that influenced the author a survey of the criticism on the author a comprehensive essay on all the author s key works and a detailed bibliography of primary and secondary works

Morley Callaghan Gary A. Boire,1994-09 In this biography of Morley Callaghan Gary Boire celebrates the life of one of the world s most prolific writers Author of over twenty novels and a hundred short stories Callaghan enjoyed a glorious career of international recognition and respect His coterie of friends included Hemingway Fitzgerald and Joyce His admirers have called him a professional contrarian an inveterate counter puncher Critics have described him as an intellectual personal literary harlequin Although a man of contradictions he was consistent in one thing be it as novelist journalist lawyer playwright amateur boxer sports commentator or social critic Callaghan was always engaged with his world

Literature W.H. New,2003-08-06 New offers an unconventionally structured overview of Canadian literature from Native American mythologies to contemporary texts Publishers Weekly *A History of Canadian Literature* looks at the work of writers and the social and cultural contexts that helped shape their preoccupations and direct their choice of literary form W H New explains how from early records of oral tales to the writing strategies of the early twenty first century writer reader literature and society are interrelated New discusses both Aboriginal and European mythologies looking at pre Contact narratives and also at the way Contact experience altered hierarchies of literary value He then considers representations of the real whether in documentary fantasy or satire historical romance and the social construction of Nature and State and ironic subversions of power the politics of cultural form and the relevance of the media to a representation of community standard and individual

voice New suggests some ways in which writers of the later twentieth century codified such issues as history gender ethnicity and literary technique itself In this second edition he adds a lengthy chapter that considers how writers at the turn of the twenty first century have reimagined their society and their roles within it and an expanded chronology and bibliography Some of these writers have spoken from and about various social margins dealing with issues of race status ethnicity and sexuality some have sought emotional understanding through strategies of history and memory some have addressed environmental concerns and some have reconstructed the world by writing across genres and across different media All genres are represented with examples chosen primarily but not exclusively from anglophone and francophone texts A chronology plates and a series of tables supplement the commentary **Strange Fugitive** Morley Callaghan, 2004 Originally published in New York in 1928 this book announced the coming of the urban novel in Canada through the story of Harry Trotter a hero who cannot escape his tendency toward brutality Incapable of reflection he does not realize that he has become a thug believing instead that if he feels good things must be right Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Nischik, 2008 The development of literature in Canada with an eye to its multicultural multiethnic multilingual nature From modest colonial beginnings literature in Canada has arrived at the center stage of world literature Works by English Canadian writers both established writers such as Margaret Atwood and new talents such as Yann Martel make regular appearances on international bestseller lists French Canadian literature has also found its own voice in the North American and francophone worlds CanLit has likewise developed into a staple of academic interest pursued in Canadian Studies programs in Canada and around the world This volume draws on the expertise of scholars from Canada Germany Austria and France tracing Canadian literature from the indigenous oral tradition to the development of English Canadian and French Canadian literature since colonial times Conceiving of Canada as a single but multifaceted culture it accounts for specific characteristics of English and French Canadian literatures such as the vital role of the short story in English Canada or that of the chanson in French Canada Yet special attention is also paid to Aboriginal literature and to the pronounced transcultural ethnically diverse character of much contemporary Canadian literature thus moving clearly beyond the traditions of the two founding nations Contributors Reingard M Nischik Eva Gruber Iain M Higgins Guy Lafleur Dorothee Scholl Gwendolyn Davies Tracy Ware Fritz Peter Kirsch Julia Breitbach Lorraine York Marta Dvorak Jerry Wasserman Ursula Mathis Moser Doris G Eibl Rolf Lohse Sherrill Grace Caroline Rosenthal Martin Kuester Nicholas Bradley Anne Nothof Georgiana Banita Gilles Dupuis and Andrea Oberhuber Reingard M Nischik is Professor of American Literature
