*The Sermon on the Mount, the Twelve Steps, and the Royal Road* Daniel Hazelwood,2018-04-13 In *The Sermon on the Mount the Twelve Steps and the Royal Road* Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while

**Attention, Cooperation, Purpose** Robert French, Peter Simpson, 2018-05-15 This book describes an approach based on attention that can help individuals and groups to cooperate more effectively It presents the first book length

reassessment of Wilfred Bion's ideas on groups Every group has a purpose or purposes or as Bion put it every group however casual meets to do something The approach described here shows how individual group members use of attention both broad or evenly suspended and focused can promote a better understanding of purpose making it possible for them to do what they have met to do This work of attention enables group members to maintain a clear sense of their purpose and also to recognise how easily they can become distracted losing focus and dispersing their energies into activities that are off task The approach builds on the authors experience of using Bion's insights into group dynamics over twenty five years in different contexts formal and informal as group members managers leaders teachers consultants researchers family members and friends

**Bad Faith** Tom Drake-Brockman, 2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity's basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hesed the heart of the Jewish covenant with God which linked God's mercy to human compassion and forgiveness making both mutually interactive This hesed forgiveness was anathema to the temple's faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaic hesed as the central purpose of human existence
