[Puppets in the Attic](#) R. S. Rayborn, 2020-03-05 Opus and Felicity are two marionettes who have been left hanging on the back wall of an attic in an abandoned house. They once were special hand-carved Christmas presents for a little boy and a little girl from their grandpa who loved them dearly. But that was a long long time ago and though Felicity dreams of playing with children again, there doesn't seem to be any hope. Then one stormy day two passion fairies, Tulip and Amelia, stumble into the empty attic where Opus and Felicity live and the four quickly become friends. But when a pair of noisy humans come in and talk about burning and demolishing the house, the puppets know their home will soon be gone and them with it if they can't escape. With the help of Solomon, a wise old oak tree, the fairies begin to look for a way to save Opus and Felicity from destruction. Can all the fairies come together to protect something precious and preserve the puppets' dignity and lives? In this illustrated novel, a community of fairies works to rescue a pair of puppets left behind in an abandoned house that's about to be destroyed.
