primarily uncaring This is true whether you re rich or poor any color age creed or gender living or near death whatever your ancestry If you can fully grasp this you have some choices First you can succumb to the terror of life and turn into an opportunist as a vegetable a person with no moral compass Or second you may use the tools that life readily offers reason senses yes even religion and think matters through to their ends go the next step and unearth what is meet and right to do in order to live life as a human being This is the beginning of faith and what Jesus pointed to as the vineyard This book calls us to a muscular Christianity one that is strong and of today and enables us to address the spiritual exhaustion shallowness and the questioning torpidity of our time
