Lost Mother:

The Lost Mother Anne Summers, 2010 My mother had just turned ten in mid 1933 when a young woman approached her as they were both leaving Mass at St Joan of Arc s in Brighton The woman was an artist and she would like to paint her portrait After her mother s death in 2005 Anne Summers inherits a portrait of her mother as a child Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family She soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne s search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings Along the way Anne finds she must face the truth of the relationship she had with her mother In turn hypnotic and moving *The Lost Mother* is a powerful exploration of art loss and love

The Dead Mother Gregorio Kohon, 1999 *The Dead Mother* brings together original essays in honour of Andr Green Written by distinguished psychoanalysts the collection develops the theme of his most famous paper of the same title and describes the value of the dead mother to other areas of clinical interest psychic reality borderline phenomena passions and identification The concept of the dead mother describes a clinical phenomenon sometimes difficult to identify but always present in a substantial number of patients It describes a process by which the image of a living and loving mother is transformed into a distant figure a toneless practically inanimate dead parent In reality the mother remains alive but she has psychically died for the child This produces a depression in the child who carries these feelings within him into adult life as the experience of the loss of the mother s love is followed by the loss of meaning in life Nothing makes sense any more for the child but life seems to continue under the appearance of normality *The Dead Mother* is a valuable contribution to literature on psychoanalytic and psychotherapeutic approaches to grief loss and depression

Studying Sexualities Niall Richardson, Clarissa Smith, Angela Werndly, 2013-05-31 Sexuality is an integral part of our lives and our identities But how do we study it Written in a lively and accessible style *Studying Sexualities* aims to introduce students to the critical study of sexuality taking a look at the major theories media representations and cultural practices After having carefully explained the key theoretical and empirical debates on the subject outlining Foucauldian Constructionism Psychoanalysis and Queer Theory the authors draw on their own original research to address timely topics related to gender sexuality and popular culture Contemporary examples used within the book include discussions of sex shops cybersex and sex toys the TV series *Sex and the City* *Will and Grace* and *The L Word* and the immensely popular *Twilight* books *Studying Sexualities* is essential reading for undergraduate and postgraduate students on Cultural Media Film or visual Studies or Sociology and Sexuality courses who are interested in researching the fascinating complexities of sexuality today NIALL RICHARDSON is a lecturer at the University of Sussex and

Writing New Identities Gisela Brinker-Gabler, Sidonie Smith, *Ritual Violence and the Maternal in the British Novel, 1740-1820* Raymond F. Hilliard, 2010 This challenging book brings to light a mythic dimension of seventeen important eighteenth and early nineteenth century narratives that revolve around the persecution of one or more important female characters and offers original reading of novels by Richardson Fielding Burney Radcliffe Godwin Austen Scott and others The myth in question which Raymond Hilliard calls the myth of persecution and reparation serves as a major vehicle for the early novel s preoccupation with the mother a mythic figure distinct from the historical mother or from the mother as she is represented in eighteenth and early nineteenth century maternal ideology Hilliard argues that the myth of persecution and reparation derives from the topos of female sacrifice in the romance tradition and shows that this topos is central to several kinds of novels realist Gothic Jacobin feminist and historical Hilliard contends that the narrative of persecution and reparation anticipates the twentieth century maternal myth associated with the work of Melanie Klein and other relational model psychoanalytic theorists and he thus also examines the psychosexual significance of the mother Hilliard explores the relation of psychosexual themes to social representations and delineates a new theory of plot both tragic and comic plots in the early novel Book Jacket *The Methodist Temperance Magazine* George Maunders, Charles Garrett, Thomas Bowman Stephenson, 1878 *Gothic Feminism* Diane Long Hoeveler, 2011-12-31 As British women writers in the late eighteenth and

early nineteenth centuries sought to define how they experienced their era's social and economic upheaval they helped popularize a new style of bourgeois female sensibility Building on her earlier work in Romantic Androgyny Diane Long Hoeveler now examines the Gothic novels of Charlotte Smith Ann Radcliffe Jane Austen Charlotte Dacre Byrne Mary Shelley and the Brontës to show how these writers helped define femininity for women of the British middle class Hoeveler argues that a female created literary ideology now known as victim feminism arose as the Gothic novel helped create a new social role of professional victim for women adjusting to the new bourgeois order These novels were thinly disguised efforts at propagandizing a new form of conduct for women teaching that professional femininity a cultivated pose of wise passiveness and controlled emotions best prepared them for social survival She examines how representations of both men and women in these novels moved from the purely psychosexual into social and political representations and how these writers constructed a series of ideologies that would allow their female characters and readers fictitious mastery over an oppressive social and political system Gothic Feminism takes a neo feminist approach to these women's writings treating them not as sacred texts but as thesis driven works that attempted to instruct women in a series of strategic poses It offers both a new understanding of the genre and a wholly new interpretation of feminism as a literary ideology **Women's Fiction** Deborah

Philips, 2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert's Eat Pray Love and yummy mummy novels such as Allison Pearson's I Don't Know How She Does It this is a wide ranging survey of popular women's fiction from 1945 to the present Examining key trends in popular writing for women in each decade Women's Fiction offers case study readings of major British and American writers Through these readings the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands aspirations and expectations of women in the 20th and 21st centuries **Mothers** Jacqueline Rose, 2018-05 An essay about culture and feminism argues that human culture simultaneously romanticizes and vilifies mothers making them into a scapegoat for all failings
