The Lost and Found, and Other Stories Anne Marsella, 1994-03 This collection of stories is as its title suggests a sort of lost and found peopled with odd and vivid characters who are often alone and displaced but whose world is one where the miraculous is hovering lurking and possible *Lost and Found*, 1887 **Lost and Found** Emma L.E. Cutter,2006-05-18 Starting with Salman Rushdie s assertion that even though something is always lost in translation something can always be gained Martha Cutter examines the trope of translation in twenty English language novels and autobiographies by contemporary ethnic American writers She argues that these works advocate a politics of language diversity a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States Cutter studies works by Asian American Native American African American and Mexican American authors She argues that translation between cultures languages and dialects creates a new language that in its diversity constitutes the true heritage of the United States Through the metaphor of translation Cutter demonstrates writers such as Maxine Hong Kingston Sherman Alexie Toni Morrison and Richard Rodriguez establish a place within American society for the many languages spoken by multiethnic and multicultural individuals Cutter concludes with an analysis of contemporary debates over language policy such as English only legislation the recognition of Ebonics and the growing acceptance of bilingualism The focus on translation by so many multiethnic writers she contends offers hope in our postmodern culture for a new condition in which creatively fused languages renovate the communications of the dominant society and create new kinds of identity for multicultural individuals *The Lost World and Other Stories* Arthur Conan Doyle,1995 The protagonist of these stories is the maddening irascible and fascinating Professor George Edward Challenger In these collected tales he faces adventures such as that high above the Amazon rain forest in *The Lost World* and the challenges of *The Land of Mist*

*World Famous Treasures Lost and Found* Vikas Khatri,2012 Treasure searching has been through the ages an extremely exciting and adventurous pursuit it is highly demanding exercise calling for tremendous amount of courage and perseverance Instances are many where those in pursuit of lost or hidden treasures spent long years sometimes a span of as many as thirty years In this book you will read about some of the world s great treasures which are lost and found The Necklace of Princess Fiorimonde and Other Stories Mary de Morgan,2020-08-01 Reproduction of the original *The Necklace of Princess Fiorimonde and Other Stories* by Mary de Morgan **Stars In My Pocket and Other Stories** Julie Khristie,2022-12-01 This heartwarming book that speaks about hope and healing comes in a collection of short stories that deal with love and loss death and deliverance We journey through life carrying with us the stories that we do not readily share to others And so we live endure and patiently go through the humdrum routine of this world But it is in the mundane things that change often happens for deliverance always comes to hearts who hold on to hope Sometimes deliverance comes through mere acceptance Sometimes it comes through a person a place a circumstance or sometimes it comes solely through the welcoming of hope

And often it comes garbed not in an extravagant declaration but in a simple and quiet realization Begin again dream again live again These are the stars we carry in our pockets *Lost and Found* R. Wayne Shute - Jonathan W. Shute, 2022-04-19 Although an upbeat and positive novel this book has a timeless message during part of the nineteenth century and throughout the entire twentieth century a perceptible shift of values occurred in the West particularly in the United States This shift has created a present day tragic intellectual and moral crisis for all of us especially our children This book takes us on a journey to recover research based time tested and powerful teaching and learning principles While on the journey our hero teachers Jack Edwards and Emily Lopez explore why our schools have lost these proven principles of teaching and learning And in the process they find those principles that must be restored in order for children to thrive intellectually and morally in our educational systems **The Missing and Other Stories** A.
