Stovall,2005 The mission or purpose Dr Stovall endeavors to transmit in this book The Last Remnants of Slavery An African American Dilemma is support for an intervention that will start a Cultural Revolution for change to end the last chapter to a chaotic dysfunctional process in the lives of African Americans There are many historical correct and factual representations about slavery but until now there have been no examination of slavery's impact on African Americans This book is a must read that deals with the Last Remnants from the past that is still influencing the economic social and political values in African American communities The processes of the remnants discouraged Africans and subsequent African Americans from any organized effort at providing for their communities economic social and political representation that would have allowed self sufficiency after emancipation and proclamation in 1865 The Africans
