## W R E N

When wren whirs from stone to fence the world around  
her slows, for wren is quick, so quick she tears the air  
through which she flows, yes -

Rapid wren is needle, rapid wren is pin - and wren's song  
is sharp-song, brier-song, thorn-song, and wren's flight  
is dart-flight, flick-flight, light-flight, yes -

Each wren stitches, stitches, stitches, glitches, yes -  
Now you think you see wren, now you know you don't.

*The Lost Words* , 2022-05 The Lost Words by composer James Burton takes its inspiration and text from the award winning cultural phenomenon and book of the same name by Robert Macfarlane and Jackie Morris a book that was in turn a creative response to the removal of everyday nature words like acorn newt and otter from a new edition of a widely used children s dictionary Both the book and Burton s 32 minute work which is written in 12 short movements for

upper voice choir in up to 3 voice parts with either orchestral or piano accompaniment celebrates each lost word with a beautiful poem or spell magically brought to life in Burton's music. At its heart the work delivers a powerful message about the need to close the gap between childhood and the natural world. Burton's piece was co-commissioned by the Hall Concerts Society for the Hall Children's Choir and the Boston Symphony Orchestra. The piano accompaniment version was premiered at the Tanglewood Festival in 2019 by the Boston Symphony Children's Choir of which Burton is founder and director. The Hall Children's Choir will premiere the orchestral version of the full work in Manchester UK post pandemic. Vocal Score Co-commission by Boston Symphony and Hall Concerts Society for their respective Children's Choirs. Two versions with orchestral or with piano accompaniment. The vocal score is the same for both versions. James Burton is a composer but also a conductor. He is conductor of the Tanglewood Festival Chorus and choral director of the Boston Symphony. The book *The Lost Words* exquisitely designed has won multiple awards and is an international best seller. The vocal score includes Jackie Morris's beautiful imagery in its cover design.

**The Kalevala** Elias Lönnrot, 2023-04-27 The Kalevala is a Finnish epic poem which tells of the creation of the world and how the heroes that inhabit it came to be and the legends of their conflicts and adventures Spread out over fifty cantos we hear how existence was created from the egg of a duck how the forests were created from the chips of a world tree felled by an ancient wizard how the mighty Sampo a multicolored mill of plenty was created and later stolen how the nine dread diseases came to be and many more such stories The tales contained here are formed from Finland's oral history The author Elias Lönnrot was a Finnish doctor who was fascinated with his country's stories so between

the 1820s and 1850s he embarked on a series of expeditions to the countryside of Finland and the surrounding area to collect and transcribe the folk stories told by local people. These tales were gradually collected into several volumes, the final of which is this new Kalevala. Lonnrot collected many different variants of each story then edited each down into a cohesive whole when composing the new verse. The distinctive Kalevala meter that was a common feature of all the original oral stories was kept during the process and Crawford used the same with this English translation. Lonnrot's work proved extremely influential in Finland and the national pride it imbued has been cited as a factor in the later Finnish independence movement. The Kalevala was also a source of inspiration for later authors of the twentieth century. Tolkien reused some of the themes and characters for the basis of his fictional universe in particular *The Silmarillion*. The Kalevala meter was used in Longfellow's *The Song of Hiawatha* and even Donald Duck has quipped as the Kalevala heroes did for the legendary Sampo. This edition was translated by John Martin Crawford in the late nineteenth century and includes his introduction discussing some of the themes, characters and settings.

*The Ineffable Name is the Great Mystery of Creation and Salvation* Helena Petrovna Blavatsky, 2017-07-31 Unknown and unknowable is the Supreme Mystery. God is the Voice of the Ineffable Name and the Wisdom of the Initiates. Epopteia is the Holy of Holies, the Unity of Unities, more ineffable than all, Silence more occult than all, Essence. It is Plato's Unspeakable All. He whom no person has seen except the Son. It is Pythagoras' Ineffable God's Name and key to the mysteries of the Kabbalah. It is the Holy Word of God that no man knew but He himself. The Name is Ineffable because non-existent. It permeates the Moon and Stars yet it is different from the Moon and Stars. It never differentiates but only emanates. There is no need travelling to distant places to find it. The Name is very nigh unto thee in thy mouth and in thy heart. It may rush into infinite worlds in sleepless whirling yet it remains latent in the deepest recesses of thy heart. The Ineffable Name is Deity Itself but not God. Nameless, unpronounceable yet universally diffused Essence, the Ineffable is Kama

The volume is divided into two parts separated by an Intermezzo The first part *Dystopia Matters* benefits from the contribution of reputed scholars of the field of Utopian Studies who were asked to make a statement explaining why dystopia is important The Intermezzo completes this part and offers the reader an informed discussion of the concepts of utopia dystopia and anti utopia whilst providing ground for the case studies presented in the second part in the sections devoted to literature film and theatre In one way or another despite the variety of approaches all contributors argue for the idea that if dystopia has invaded most forms of contemporary discourse its sibling utopia has not been eradicated from the scene Furthermore the studies show that the tension between the two concepts is instrumental to our cautious conscious and tentative construction of the future **Kalevala; The Epic Poem of Finland into English, Book I** Elias
