India Zoological Survey of India, 1917 *Ghosts* Bill Noel, 2012-08 Chris Landrum's idyllic life of retirement on the South Carolina barrier island of Folly Beach just got turned upside down. After more than two decades, his ex-wife Joan calls to wish him a merry Christmas. He can tell she wants to tell him something more, but their conversation is cut short before he learns anything. Something's up. A second call from Joan's best friend delivers startling news: Joan's husband has just been killed in an automobile accident in the Smoky Mountains of Tennessee, and Joan wants Chris to investigate. Even though it's hundreds of miles from Chris's peaceful beach cottage, he agrees to help. Meanwhile, Chris's best and strangest friend, Charles, joins the working world as a bartending private detective. Two jobs he stumbles and bumbles through with equal measures of incompetence. Country Cal, an aging country music singer and new bar owner, hires Charles to catch a petty thief who is stealing bourbon and cash. Heather, a psychic, and Charles's main squeeze blame ghosts since no one can figure out how the culprit is breaking in; she seems to be right. Unfortunately for Chris, he's got a little more to worry about than missing booze. It looks like Joan's husband was murdered. Now Chris has to find the culprit before he becomes the next victim. Hardly a day at the beach.

Paradise Valley C.J. Box, 2017-07-25 *Paradise Valley* continues the Highway Quartet series, the inspiration for the hit TV show *Big Sky* on ABC, from New York Times bestselling author C.J. Box. She almost caught him once. Now he's back. For three years, Investigator Cassie Dewell has been on a hunt for a serial killer known as the Lizard King, whose hunting grounds are the highways and truck stops where runaways and prostitutes are most likely to vanish. Cassie almost caught him once. Working for the Bakken County, North Dakota, sheriff's department, Cassie has set what she believes is the perfect trap, and she has lured him and his truck to a depot. But the plan goes horribly wrong, and the blame falls on Cassie. Disgraced, she loses her job, and investigation into her role is put into motion. At the same time, Kyle Westergaard, a troubled kid whom Cassie has taken under her wing, has disappeared after telling people that he's going off on a long-planned adventure. Kyle's grandmother begs Cassie to find him, and with nothing else to do, Cassie agrees. All the while, hunting the truck driver. Now Cassie is a lone wolf. And in the same way that two streams converge into a river, Kyle's disappearance may have a more sinister meaning than anyone realizes. With no allies, no support, and only her own wits to rely on, Cassie must take down a killer who is as ruthless as he is cunning. But can she do it alone without losing her own humanity or her own life?
