Rollins, 2023-03-14 Have you ever wondered where God is in your life Have you ever asked yourself why things are happening and why He seems to be silent How does He speak to us today and help us in our journeys God's Little Nudges takes a look at our journey with God and our experiences in life It explores how God talks to us teaches us and relates to us no matter how difficult life gets Author Rebecca K Rollins uses the style of a self help guide but instead of telling us how to look out for number one she shows us how to rely on Him and depend on the Holy Spirit for help using examples from her own experiences Even though we must face sickness and challenges in life there is a way we can go through this journey full of joy peace and hope no matter what is happening Rollins demonstrates how she has achieved that in her life and how anyone who chooses to can achieve it as well It is vital we know who we are in Christ whose we are and the kind of God we serve This personal narrative shares one woman's experiences and journey with God and invites you to embrace the idea that you are never alone and that God has a purpose for everything in your life God's Nudge Tekisha D. Wimbush, 2022-05-07 Have you ever experienced God's Nudge The Nudge of God is that non verbal internal thought or that still audible voice you hear to guide you in the direction that is pleasing to His will Every now and then one needs the Nudge of God to stay the course to stay led directed and guided by God The Nudge illuminates the word that it will shine like a lamp unto your feet and a light unto your path Why God's Nudge God's Nudge was written during a worldwide pandemic Covid 19 Anxiety depression sadness fear doubt the spirit of quit and so many other symptomology and emotions were present which filled many hearts and minds Because God is our refuge and strength a present help in trouble he offers His infallible word to bring comfort and guidance In reading God's Nudge there is fresh Rhema in each chapter providing support to the readers with reflective insight to search the scriptures to gain deeper understanding knowledge and life application God's Nudge is thought provoking and enlightening It will ignite the branches of readers to level up in your journey Nudges from Heaven Tammy Roy, 2021-03-15 There are certain experiences in one's life that would seem best forgotten Other moments are a celebration and collection of incredible experiences resembling a beautiful tapestry which should be displayed This book is a combination of both the moments fondly remembered as well as the ones well the ones when I wish I would have listened to the prompts of heaven Throughout our lives we all experience nudges from heaven and with such a nudge comes a choice The choices we make affect those around us especially those closest to us Every choice has a ripple effect either for good or bad This book provides an inside look at some of the choices I've made in the hopes that you will recognize God's voice and feel His nudge in helping you navigate this thing we call life The Declaration of Independence, God, and Evolution Simon D. Perry, 2016-06-27 In this book Simon Perry has brought together a discussion of politics philosophy religion and science by using the Declaration of Independence as a backdrop He questions whether Jefferson was motivated by God Is there a role for religion in our government Is God real or a fantasy Is the Good Book really good Why has man turned to God to achieve

eternal life Does the mythicism of creation prevail over evolution Is man indoctrinated at an early age to accept God unconditionally These are but a few of the questions that he deals with As you read you will discover others He spent five years researching this book and it relies heavily on the great scholars of religion science and politics This book lays bare our cognitive distortions of who we are and where we came from **Nudge** Leonard Sweet,2010-08-01 Evangelism is about reaching out to others Really You think Brace yourself In Nudge author Leonard Sweet sets out to revolutionize our understanding of evangelism He defines evangelism as nudge awakening each other to the God who is already there Sweet s revolution promises to affect your encounters with others as well as shaking the very roots of your own faith So brace yourself *Dreaming with God* Sarah Beth Marr,2018-02-06 The world tells us that the way to make all our dreams come true is to set our own course and strive every day But when it s all on us we end up feeling exhausted frustrated and disappointed when things don t turn out as we d hoped Have you ever wondered if there was a better way There is God knows the desires of our hearts he put them there And he calls us to trust to lean on him and sometimes to wait Weaving together her unique perspective as a professional ballerina with profound truths drawn from Scripture and the life of faith Sarah Beth Marr reminds us that we are not dreaming alone If God has given us a dream we can be sure that he will come alongside us as we work toward realizing it Using her own story as a catalyst Marr encourages women to surrender their plans to God to stay in tempo with his Spirit and to step into a deeper relationship with Christ When they do she says they will be able to move confidently into the future knowing that their dreams and God s desires are aligned in perfect harmony

God Whispers Liz Thompson, 2013-04-15 Where are you at this moment If your first reaction was to say I am in a book store or I am in my recliner I would likely say the same thing But what I am asking is where you are in your faith walk with God Do you feel far from Him Maybe you walk closely with Him and hear His voice in your life Are you in a listening mode or are you tuned into the noise in your life cluttered with things to do places to go and people to see Maybe you picked up this book because you were curious how God could possibly whisper Or maybe you needed to make a major decision and you thought this book might help Or maybe you picked it up because when you saw fudge in the subtitle you thought it might be a recipe book It is a recipe book in its own way and for fun you will find fudge recipes in the appendix But I wrote this book to share some experiences of mine and those of its contributors about how we learned from our fudges and responded to God's nudges God wants to free us from our self made cocoons or chrysalises and watch us fly free like a butterfly Liz Thompson lives in Grove City Ohio with her husband Bob and wire haired dachshund Toby Bear who is her Certified Hearing Dog In 2008 Liz's first book Day by Day The Chronicles of a Hard of Hearing Reporter was published by Gallaudet University Press She has a column in ThisWeek Newspapers formerly Suburban News Publications SNP in Columbus Ohio where she was also a reporter SNP from 2000 2003 From 2003 2005 she and her husband lived in Arizona where she was a Community Columnist for The Arizona Republic Liz has been a writer for Hearing Health Magazine and www.moveoverms.org She wants to share her faith in God in her writing and pass on the love of writing to the next generation keywords Religion Christian Christianity Inspirational Recipes Witness Poetry Faith Healing Motivational

The Inspiration of God Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the

LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2

Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding

How God Works David DeSteno,2022-09-06 Drawing on a wealth of new evidence pioneering research psychologist David DeSteno shows why religious practices and rituals are so beneficial to those who follow them and to anyone regardless of their faith or lack thereof Scientists are beginning to discover what believers have known for a long time the rewards that a religious life can provide For millennia people have turned to priests rabbis imams shamans and others to help them deal with issues of grief and loss birth and death morality and meaning In this absorbing work DeSteno reveals how numerous religious practices from around the world improve emotional and physical well being With empathy and rigor DeSteno chronicles religious rites and traditions from cradle to grave He explains how the Japanese rituals surrounding childbirth help strengthen parental bonds with children He describes how the Apache Sunrise Ceremony makes teenage girls better able to face the rigors of womanhood He shows how Buddhist meditation reduces hostility and increases compassion He demonstrates how the Jewish practice of sitting shiva comforts the bereaved And much more DeSteno details how belief itself enhances physical and mental health But you don't need to be religious to benefit from the trove of wisdom that religion has to offer Many items in religion's toolbox can help the body and mind whether or not one believes How God Works offers advice on how to incorporate many of these practices to help all of us live more meaningful successful and satisfying lives

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn t put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks
