Nuestra America:

Nuestra América Claudio Lomnitz, 2021-02-09 NAMED A MOST ANTICIPATED BOOK OF THE YEAR BY KIRKUS REVIEWS A riveting study of the intersections between Jewish and Latin American culture this immigrant family memoir recounts history with psychological insight and the immediacy of a thriller In *Nuestra Am rica* eminent anthropologist and historian Claudio Lomnitz traces his grandparents exile from Eastern Europe to South America At the same time the book is a pretext to explain and analyze the worldview culture and spirit of countries such as Peru Colombia and Chile from the perspective of educated Jewish emigrants imbued with the hope and determination typical of those who escaped Europe in the 1920s Lomnitz s grandparents who were both trained to defy ghetto life with the pioneering spirit of the early Zionist movement became intensely involved in the Peruvian leftist intellectual milieu and its practice of connecting Peru s indigenous past to an emancipatory internationalism that included Jewish culture and thought After being thrown into prison supposedly for their socialist leanings Lomnitz s grandparents were exiled to Colombia where they were subject to its scandals its class system its political life Through this lens Lomnitz explores the almost negligible attention and esteem that South America holds in US public opinion The story then continues to Chile during World War II Israel in the 1950s and finally to Claudio s youth living with his parents in Berkeley California and Mexico City Nuestra América Sabrina Vourvoulias, 2020-09-01 Celebrate 30 influential Latinas Latinos Latinxs in U S history with *Nuestra Am rica* a fully illustrated anthology from the Smithsonian Latino Center *Nuestra Am rica* highlights the inspiring stories of thirty Latina o xs throughout history and their incredible contributions to the cultural social and political character of the United States The stories in this book cover each figure s cultural background childhood and the challenges and opportunities they met in pursuit of their goals A glossary of terms and discussion question filled reading guide created by the Smithsonian Latino Center encourage further research and exploration Twenty three of the stories featured in this anthology will also be included in the future Molina Family Latino Gallery the first national gallery dedicated to Latina o xs at the Smithsonian This book is a must have for teachers looking to create a more inclusive curriculum Latina o x youth who need to see themselves represented as an important part of the American story and all parents who want their kids to have a better understanding of American history Featuring beautiful portraits by Gloria F lix this is a book that children and adults will page through and learn from again and again *Nuestra Am rica* profiles the following notable figures Sylvia Acevedo Luis lvarez Pura Belpr Martha E Bernal Julia de Burgos C sar Ch vez Sandra Cisneros Roberto Clemente Celia Cruz Olga E Custodio scar de la Renta Jaime Escalante Macario Garc a Emma Gonz lez Laurie Hern ndez Juan Felipe Herrera Dolores Huerta Jennifer Lopez Xiuhtezcatl Mart nez Sylvia M ndez Lin Manuel Miranda C David Molina Rita Moreno Ellen Ochoa Jorge Ramos Sylvia Rivera Mar a Elena Salinas Sonia Sotomayor Dara Torres and Robert Unanue A Spanish edition *Nuestra Am rica* 30 latinas latinos inspiradores que han forjado la historia de Los Estados Unidos is also available for purchase Nossa and Nuestra América

Robert Patrick Newcomb, 2012 *Is Brazil part of Latin America or an island unto itself? As Nossa and Nuestra América Inter American Dialogues* demonstrates this question has been debated by Brazilian and Spanish American intellectuals alike since the early nineteenth century though it has received limited scholarly attention and its answer is less obvious than you might think. This book charts Brazil's evolving and often conflicted relationship with the idea of Latin America through a detailed comparative investigation of four crucial Latin American essayists: Uruguayan critic José Enrique Rodó, Brazilian writer-diplomat Joaquim Nabuco, Mexican humanist Alfonso Reyes, and Sérgio Buarque de Holanda, one of Brazil's preeminent historians. The author argues that Brazil plays a necessary and necessarily problematic role in the intellectual construction of Latin America. *Nossa and Nuestra América* will be of interest to scholars and students of Latin American and Lusophone Brazilian literature and ideas and to anyone interested in rethinking comparative approaches to literary texts written in Portuguese and Spanish.

José Martí's "Our America" Jeffrey Grant Belnap, Raul A. Fernandez, 1998 Considerable attention has been given to Cuban poet-essayist and activist José Martí's 1891 essay *Nuestra América* but relatively little has been paid to the rest of the journalistic work that Martí produced during his fourteen-year exile in the United States. In *José Martí's Our America* Jeffrey Belnap and Raul Fernandez present essays from Latin American, Caribbean, and U.S.-based scholars who consider Martí's rich and underexplored body of work and position Martí as an emblem of New American studies. A Cuban exile from 1881 to 1895, Martí was a correspondent writing in New York for various Latin American newspapers. Grasping the significance of rising U.S. imperial power, he came to understand the Americas as a complex system of kindred but not equal national formations whose cultural and political integrity was threatened by the overbearing aggressiveness of the United States. This collection explores how, in his journalistic work, Martí critiques U.S. racism, imperialism, and capitalism; warns Latin America of impending U.S. geographical, cultural, and economic annexation; and calls for recognition of the diversity of America's cultural voices. Reinforcing Martí's hemispheric vision with essays by a wide range of scholars who investigate his analysis of the United States, his significance as a Latino outsider, and his analyses of Latin American cultural politics, this volume explores the affinities between Martí's thought and current reexaminations of what it means to study America. *José Martí's Our America* offers a new understanding of Martí's ambiguous and problematic relation with the United States and will engage scholars and students in American, Latin American, and Latino studies as well as those interested in cultural, postcolonial, gender, and ethnic studies.

Contributors: Jeffrey Belnap, Raul Fernandez, Ada Ferrer, Susan Gillman, George Lipsitz, Oscar Martí, David Noble, Donald E. Pease, Beatrice Pita, Brenda Gayle Plummer, Susana Rotker, José David Saldívar, Rosaura Sánchez, Enrico Mario Sant, Doris Sommer, Brook Thomas.

Perspectives on the 'other America' Michael Niblett, Kerstin Oloff, 2009 Uniting critical writing on novels, poetry, painting, and ritual, this volume takes a regional approach to the cultures of the Caribbean Basin. Ranging across the linguistic spectrum of the area, it examines cultural production from the Anglophone, Francophone, and Hispanophone islands, Suriname, and the Guyanas, and Latin and Central America. The interdisciplinary nature of the

collection and the challenge it poses to the balkanization of the region within academic discourse will make it of especial interest to students and scholars of the Caribbean Inspired by the category of the Other America as developed by douard Glissant the book offers a series of original and stimulating engagements with topics that include nationalism migration and exile landscape and the environment gender and sexuality and Postcolonial Studies and world literature In addition to contributions by leading scholars such as Peter Hulme Theo D haen and Lizabeth Paravisini Gebert it contains interviews with two renowned novelists from the region Lawrence Scott and Mayra Santos Febres Underpinning the collection is an interrogation of received ideas of the nation state and a suggestion that regionalism might provide a better optic through which to view the circum Caribbean that national consciousness in other words must always also be a regional consciousness

The Dialectics of Our America José David Saldívar, 1991-10-31 Joining the current debates in American literary history Jos David Sald var offers a challenging new perspective on what constitutes not only the canon in American literature but also the notion of America itself His aim is the articulation of a fresh transgeographical conception of American culture one more responsive to the geographical ties and political crosscurrents of the hemisphere than to narrow national ideologies Sald var pursues this goal through an array of oppositional critical and creative practices He analyzes a range of North American writers of color Rolando Hinojosa Gloria Anzald a Arturo Islas Ntozake Shange and others and Latin American authors Jos Mart Roberto Fern ndez Retamar Gabriel Garc a M rquez and others whose work forms a radical critique of the dominant culture its politics and its restrictive modes of expression By doing so Sald var opens the traditional American canon to a dialog with other voices not just the voices of national minorities but those of regional cultures different from the prevalent anglocentric model The Dialectics of Our America in its project to expand the canon and define a pan American literary tradition will make a critical difference in ongoing attempts to reconceptualize American literary history *American Studies* Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context **Conversations Across Our America** Louis G. Mendoza, 2012-06-01 In the summer of 2007 Louis G Mendoza set off on a bicycle trip across the United States with the intention of conducting a series of interviews along the way Wanting to move beyond the media s limited portrayal of immigration as a conflict between newcomers and citizens he began speaking with people from all walks of life about their

views on Latino immigration From the tremendous number of oral histories Mendoza amassed the resulting collection offers conversations with forty three different people who speak of how they came to be here and why they made the journey They touch upon how Latino immigration is changing in this country and how this country is being changed by Latinoization Interviewees reflect upon the concerns and fears they've encountered about the transformation of the national culture and they relate their own experiences of living and working as other in the United States Mendoza's collection is unique in its vastness His subjects are from big cities and small towns They are male and female young and old affluent and impoverished Many are political striving to change the situation of Latinos in this country but others are everyday people reflecting upon their lives in this country and on the lives they left behind Mendoza's inclusion of this broad swath of voices begins to reflect the diverse nature of Latino immigration in the United States today

Music and Identity in Twentieth-Century Literature from Our America Marco Katz Montiel, 2014-08-19 Offering a one of a kind approach to music and literature of the Americas this book examines the relationships between musical protagonists from Colombia Cuba and the United States in novels by writers such as Gabriel García Márquez Alejo Carpentier Zora Neale Hurston and John Okada

Our America: A Hispanic History of the United States Felipe Fernández-Armesto, 2014-01-20 A rich and moving chronicle for our very present Julio Ortega New York Times Book Review The United States is still typically conceived of as an offshoot of England with our history unfolding east to west beginning with the first English settlers in Jamestown This view overlooks the significance of America's Hispanic past With the profile of the United States increasingly Hispanic the importance of recovering the Hispanic dimension to our national story has never been greater This absorbing narrative begins with the explorers and conquistadores who planted Spain's first colonies in Puerto Rico Florida and the Southwest Missionaries and rancheros carry Spain's expansive impulse into the late eighteenth century settling California mapping the American interior to the Rockies and charting the Pacific coast During the nineteenth century Anglo America expands west under the banner of Manifest Destiny and consolidates control through war with Mexico In the Hispanic resurgence that follows it is the peoples of Latin America who overspread the continent from the Hispanic heartland in the West to major cities such as Chicago Miami New York and Boston The United States clearly has a Hispanic present and future And here is its Hispanic past presented with characteristic insight and wit by one of our greatest historians

Unhomely Rooms Roberto Ignacio Díaz, 2002 Even as he exposes the cultural fragmentation of Spanish America Díaz's critical gesture allows strangeness to become an integral part not only of individuals as Freud argues in *The Uncanny* but also of national cultural communities

BOOK JACKET *Nuestra América in America* Gaston Alonso, 2001

Encyclopedia of the Essay Tracy Chevalier, 1997 A hefty one volume reference addressing various facets of the essay Entries are of five types 1 considerations of different types of essay e.g. moral travel autobiographical 2 discussions of major national traditions 3 biographical profiles of writers who have produced a significant body of work in the genre 4 descriptions of periodicals important for their publication of essays and 5 discussions of some

especially significant single essays Each entry includes citations for further reading and cross references Annotation copyrighted by Book News Inc Portland OR Epistemologies of the South Boaventura de Sousa Santos,2015-11-17 This book explores the concept of cognitive injustice the failure to recognise the different ways of knowing by which people across the globe run their lives and provide meaning to their existence Boaventura de Sousa Santos shows why global social justice is not possible without global cognitive justice Santos argues that Western domination has profoundly marginalised knowledge and wisdom that had been in existence in the global South She contends that today it is imperative to recover and valorize the epistemological diversity of the world Epistemologies of the South outlines a new kind of bottom up cosmopolitanism in which conviviality solidarity and life triumph against the logic of market ridden greed and individualism

Temporal Echoes / Ecos En El Tiempo Ivan A Salazar M,2024-10-23 It is a poetic odyssey that harmonizes English and Spanish inviting readers to traverse the tapestry of emotions and thoughts that transcend linguistic borders Within its pages over 50 poems intertwine like celestial constellations each stanza a bridge between languages each line a whisper across time With its dawn kissed syllables English dances alongside Spanish whose twilight tones fall like petals from a cosmic rose It is a bilingual journey transcending mere accessibility it weaves a cultural dialogue inviting readers to explore their shared humanity Temporal Echoes captures introspective moments wonder and the quest for meaning Its verses resonate like stardust inviting us to ponder our place in the vast cosmos where time threads us all together So step into this poetic vessel sail through verses and let the echoes guide you across borders beyond words toward eternity Ecos en el Tiempo Una odisea poética que armoniza el inglés y el español invitando a los lectores a recorrer el tapiz de emociones y pensamientos que trascienden las fronteras lingüísticas Dentro de sus páginas más de 50 poemas se entrelazan como constelaciones celestiales cada estrofa es un puente entre idiomas cada verso es un susurro a través del tiempo El inglés con sus sílabas besadas por el amanecer baila junto al español cuyos tonos crepusculares caen como pétalos de una rosa cósmica Este viaje bilingüe trasciende la mera accesibilidad teje un diálogo cultural invitando a los lectores a explorar su humanidad compartida Ecos en el Tiempo captura momentos introspectivos asombro y la búsqueda de significado Sus versos resuenan como polvo de estrellas invitándonos a reflexionar sobre nuestro lugar en el vasto cosmos donde el tiempo nos une a todos Así que adéntrate en esta embarcación poética navega a través de los versos y deja que los ecos te guen más allá de las fronteras más allá de las palabras hacia la eternidad

The Limits of Identity Charles Hatfield,2015-11-15 The Limits of Identity is a polemical critique of the repudiation of universalism and the theoretical commitment to identity and difference embedded in Latin American literary and cultural studies Through original readings of foundational Latin American thinkers such as José Martí and José Enrique Rodó and contemporary theorists such as John Beverley and Doris Sommer Charles Hatfield reveals and challenges the anti universalism that informs seemingly disparate theoretical projects The Limits of Identity offers a critical reexamination of widely held conceptions of culture ideology interpretation and history The repudiation of universalism

Hatfield argues creates a set of problems that are both theoretical and political Even though the recognition of identity and difference is normally thought to be a form of resistance The Limits of Identity claims that in fact the opposite is true

Recognition and Difference Scott Lash, Mike Featherstone, 2002-07-26 Are there any cultural universals left Does multiculturalism inevitably involve a slide into moral relativism This timely and insightful book examines questions of politics and identity in the age of multicultures It draws together the contribution of outstanding contributors such as Fraser Honneth O'Neill Bauman Lister Gilroy and De Swann to explore how difference and multiculturalism take on the arguments of universalist humanism The approach taken derives from the traditions of cultural sociology and cultural studies rather than political science and philosophy The book takes seriously the argument that the social bond and recognition are in danger through globalization and deterritorialization It is a major contribution to the emerging debate on the form of post national forms of civil society Nuestra América José Martí, 1910 *Nuestra América*, 1922 **Nuestra América** Carlos Octavio Bunge, 1903

Whispering the Secrets of Language: An Mental Journey through **Nuestra America**

In a digitally-driven earth wherever monitors reign great and instant conversation drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within phrases frequently get unheard.
