The purpose of this book is to explain the correct way to interpret the number of the Beast 666 written in Greek with the letters based on the foundations of interpretation laid down by St Barnabas the Apostle in his educational letter known by his name and published in the letters of the Apostolic Fathers which is not the apocryphal gospel falsely attributed to him The number 666 in the Greek language consists of a sign that is an abbreviation of the name of Christ the name that Satan will take claiming to be the Messiah although in fact he is the Antichrist In addition to the number of the name of the Kingdom of Greece in Hebrew indicated by the head that has a sword wound and lived and this empire will be restored to existence in the last days by the hand of the little horn This is the second king or the second founder of the Greek Empire Where John saw in the vision two beasts the first beast to come out of the sea that is to come out of the nations referring to the Greek empire that will return to existence at the time of the end as the eighth empire and it is one of the seven empires that fell And the second beast emerging from the earth refers to Satan s exit from the abyss to reign on earth impersonating the name of Christ claiming that he is Elohim That is why he will sit in the temple of Elohim as God and show that he is God and in fact he is against God that is against Christ that is that he is the Antichrist We have included in this work an appendix containing an indication of the letters of the English Hebrew and Greek alphabets and their numerical values to find out the numerical values of the letters that make up the number of the beast     The Mysteries and Secrets of Magic Charles John Samuel Thompson,1927     Mysteries and Secrets: The 16-Book Complete Codex Patricia Fanthorpe,Lionel Fanthorpe,2014-11-12

teachings Jesus taught to his disciple Matthew 13 10 confirms the separate teachings The disciples came to Jesus and asked Why do you speak to the people in parables He replied The knowledge of the secrets of the kingdom of heaven has been given to you but not to them For this people s heart has become calloused they hardly hear with their ears and they have closed their eyes Otherwise they might see with their eyes hear with their ears understand with their hearts and turn and I would heal them This is why I speak to them in parables Though seeing they do not see though hearing they do not hear or

understand In them is fulfilled the prophecy of Isaiah You will be ever hearing but never understanding you will be ever seeing but never perceiving But blessed are your eyes because they see and your ears because they hear For truly I tell you many prophets and righteous people longed to see what you see but did not see it and to hear what you hear but did not hear it Matthew 13 10 16 It is not only important to fully understand all of the knowledge within Jesus teachings the level within the heavens you will inherit after your life depends upon it
