

BY LAWRENCE DURRELL

Novels

The Alexandria Quartet

"... If ever a book has an instantly recognizable signature on every sentence, this is it. It is in fact a formidable, glowing achievement, and no one has more memorably done what it is that in spite of the all-pervading spirit of Alexandria, it has, too, a timeliness and grandeur parallel to works that are big enough to make a world of their own." *The Times Literary Supplement* 30.9.67

Nunquam By Durrell Lawrence

Lawrence Durrell

Nunquam By Durrell Lawrence:

Nunquam Lawrence Durrell, 1971 The tale of a scientific corporation and its most ambitious undertaking the creation of a woman Cover *The Revolt of Aphrodite* Lawrence Durrell, 2012-03-15 When a genius inventor is seduced by a mysterious firm to create a robot technology may save him or be his undoing Lose yourself in this dystopian novel by the bestselling author of *The Alexandria Quartet* A superb craftsman and stylist New York Times Felix Charlock is a world famous inventor His scientific genius draws him into the web of a sinister multinational corporation called Merlin who recruit him for their own ends When Felix is married into this wealthy family The Firm sets him an impossible project demanding that he reinvents his former lover as a living breathing replica But creating this perfect robot facsimile heralds a new era of destruction threatening not only Felix s sanity but his very existence Consisting of two novels *Tunc* and its sequel *Numquam* *The Revolt of Aphrodite* is a dystopian novel of ideas rich in mystery and drama with an epic global sweep and dazzling cast Showing literary master Lawrence Durrell at his most conceptually ambitious this tale of a modern Frankenstein will revolutionise the way you view technology forever Scenes of wild and deliberate fantasy of peculiar and disturbing poignancy New Statesman Such readability Few writers can tell a story better Observer **Lawrence Durrell's Major Novels, Or, The Kingdom of the Imagination** Donald P. Kaczvinsky, 1997 Through his use of Gnostic beliefs Durrell destabilizes our notions of the real and suggests that the civilization to emerge out of the ruins of a devastated Europe will not be Christian but Quincunxial Durrell s aesthetic and thematic concerns establish him as a significant indeed central voice in twentieth century British literature His career which spans over five decades links the British High Modernists with the Postmodernists

A Psychoanalytic Study of Lawrence Durrell's The Alexandria Quartet Rony Alfandary, 2018-09-27 A Psychoanalytic Study of Lawrence Durrell s *The Alexandria Quartet* *Exile and Return* focuses on the dialogue created by literature and psychoanalysis in an individual s quest to explore existential issues such as a sense of belonging to a homeland and a recurring sense of the Uncanny das unheimliche Rony Alfandary explores Durrell s attempt to recreate a sense of belonging to a homeland which perhaps never existed but can be retraced and reinvented through writing This book studies some issues present in Durrell s work the connection between biographical and fictional elements in the study of literature the influence of early Freudian theoretical themes upon the writer later influences including post modern and hermeneutic theories The life and work of Lawrence Durrell can serve as a prototype of a man s quest for meaning in a world caught in turmoil in the period between and during WW2 The author s psychoanalytic exploration of the work and its relevance to human experience today shows how the themes Durrell dealt with remain relevant Alfandary highlights the ways in which his usage of several author narrative styles exemplifies the divergent and often contradictory nature of Truth emerging rather as multi layered multi voiced and often torn sense of human subjectivity A Psychoanalytic Study of Lawrence Durrell s *The Alexandria Quartet* *Exile and Return* demonstrates Durrell s strong influence by psychoanalytic thought and will appeal to

both psychoanalytic and literary scholars **Keeping in Contact** Judith Mary Brown, 1971 **Lawrence Durrell's Poetry** Isabelle Keller-Privat, 2019-04-25 This book offers the first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973 Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional drawing links to his novels and residence books which he kept writing at the same time Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T S Eliot Michael Fraenkel Henry Miller and David Gascoyne Simultaneously this book shows why Durrell must also be read as the heir to the greatest English romantic poets Byron Shelley Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval Valéry and Cendrars This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship The symbolic patterns the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry the fictional and the lyrical the descriptive and the abstract Poetry excerpts extracts from his residence books novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the Umwelt **The Durrells of Corfu** Michael Haag, 2017-04-20 The Durrell family are immortalised in Gerald Durrell's *My Family and Other Animals* and its ITV adaptation *The Durrells* But what of the real life Durrells Why did they go to Corfu in the first place and what happened to them after they left The real story of the Durrells is as surprising and fascinating as anything in Gerry's books and Michael Haag with his first hand knowledge of the family is the ideal narrator drawing on diaries letters and unpublished autobiographical fragments *The Durrells of Corfu* describes the family's upbringing in India and the crisis that brought them to England and then Greece It recalls the genuine characters they encountered on Corfu Theodore the biologist the taxi driver Spiro Halikiopoulos and the prisoner Kostis as well as the visit of American writer Henry Miller And Haag has unearthed the story of how the Durrells left Corfu including Margo's and Larry's last minute escapes before the War An extended epilogue looks at the emergence of Larry as a world famous novelist and Gerry as a naturalist and champion of endangered species as well as the lives of the rest of the family their friends and other animals The book is illustrated with family photos from the Gerald Durrell Archive many of them reproduced here for the first time **The Aesthetics of Anthony Burgess** Jim Clarke, 2017-10-26 The book is the first full length text on Anthony Burgess's fiction in a generation and offers a radical and innovative way of understanding the extensive literary achievements of one of the twentieth century's most innovative authors This book explores Burgess's dazzlingly diverse range of novels through the one key theme which links them all the artistic process itself Borrowing from Nietzsche's aesthetic dichotomy of Apollo and Dionysus the book uncovers the protracted evolution of Burgess's fiction and offers a

unifying theory which links his early postcolonial fiction chronologically via his modernist experiments like *A Clockwork Orange* and *Nothing Like The Sun* to his late classics *Mozart and the Wolfgang* and *A Dead Man in Deptford* This volume clarifies Burgess's seminal role as both late modernist and early postmodernist and lucidly unveils the legacy of England's most mercurial novelist

Creativity, Madness and Civilisation Richard Pine, 2021-04-16 What is creativity And what is madness How far can we interpret an artist's work through our knowledge of his or her mental state and how far can we infer a mental state from a work of art When does a work of art cease to be a personal statement by the artist and become a matter of public concern The contributions to this book attempt to answer some of these questions They come from a wide range of disciplines and experiences a practising psychiatrist a practising artist suffering from reactive depression and critics working in literature film music and the visual arts The essays include discussions of the myth of creativity the music of Robert Schumann the borders of sanity in the writing of Lawrence Durrell the insane truth of Virginia Woolf the meeting of doctor and patient in the poetry of Anne Sexton mood disorders in the fiction of David Foster Wallace love and madness in the poetry of Hafiz of Shiraz and the paintings of Adolf W. Flügel Central to this discussion of creativity madness and civilisation is the difficulty of establishing an appropriate and effective vocabulary and mindset between critics and clinical psychiatrists

Indian Metaphysics in Lawrence Durrell's Novels Ravindran Nambiar, 2014-01-08 In this study of the influence of Indian metaphysics on Lawrence Durrell's novels Professor Nambiar offers a unique milestone in the history of Durrellian criticism Embracing Durrell's search for universal awareness through Western and Indian metaphysics the book presents a new metaphysical reading of the writer's prose that has remained untapped until now Exploring Durrell's quest for a new reality through fiction Nambiar focuses in depth on *The Avignon Quintet* and questions the complex symbolic patterns that shape the polymorphous characters' peregrinations through space and time With much subtlety modesty and wit *Indian Metaphysics in Lawrence Durrell's Novels* opens up the mysterious doors of the kingdom of the imagination

Minor Mythologies as Popular Literature Richard Pine, 2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences

BECOMING AND BEING John O'Loughlin, 2022-03-06 This project is quite unusual in that it combines in separate parts autobiographical writings with biographical sketches of some of the writers who have influenced John O. Loughlin most including Jean Paul Sartre Albert Camus Aldous Huxley Arthur Koestler Henry Miller Hermann Hesse and Lawrence Durrell At the end Mr O. Loughlin has appended a list of books borrowed from his local library during a twelve year period coinciding in part with the

composition of this text so that one can compare his reading material and what he thought of it with the original material of this project as a guide to how becoming eventually turned for him into being **T.L.S. ,1970 The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebl **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebl **Nunquam** Lawrence Durrell,1986 *National Union Catalog* ,1983 **The Quality of Life** Richard Pine,2021-06-09 These essays represent a selection of 40 years commentary on the political dimensions of cultural life They address the entire spectrum of culture from theories of international communication to the provision of cultural and leisure facilities at local level As a former consultant to the Council of Europe the author has developed a penetrating insight into the decision making process between local authorities and citizens groups which is discussed in two seminal papers from the 1980s which pioneered the concept of Cultural Democracy In addition the book s close readings of novels and plays by Irish and Greek writers explore the way that all writing and forms of self expression have a political message and repercussions **The Disappointed Bridge** Richard Pine,2014-06-02 This original study is the first major critical appraisal of Ireland s post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged
