Shadow Caster Stephen Colter,2012-11-16 Bobby hasn't seen his grandmother Mae for a while. When she shows up, he isn't sure if it's really her since she arrives while he's dreaming. She returns each time he dreams and then tells him what's going on. He is a Shadow Caster. Strange things continue to happen when he dreams and even stranger things when he's awake. Then his shadow begins to do things not things that are under his control at least not at first. He has to figure out how to use mystical abilities to save Mae because she has answers to his questions since she too is a Shadow Caster. A fast-paced energetic story about Bobby, a boy who discovers a new world around him and inside himself. He and his two friends provide an innocent lighthearted and sometimes comical approach to dealing with situations from saving a dog to fighting with evil spirits. Bobby goes from geek to a supernatural-powered geek by discovering the lost practice of Shadow Casting. With a little help from his friends, the walking dead, and spirits from the past, he overcomes some bizarre obstacles in order to release Mae from being held captive by a evil foe. Many ancient cultures looked to spirits for guidance, religion, healing, physical strength, and protection against evil. The background of the Shadow Caster is derived from Native American lore which provides the underlying theme of spiritualism and atonement with nature. **Shadow in the Mirror** Adele Hewett Veal,2015-05-21

Leslee Cramer suffers from multiple personality disorder, the result of childhood abuse. Because of this illness, she has been known to find herself suddenly in strange places with no understanding of how she got there, having lost time along the way. But when she wakes up in a strange bed with a strange man who claims to be her husband, she knows something drastic has changed. It turns out that Lee Leslee's alter ego has been in control for ten years. During that time, she married and had two children, only to have her escapades terrify the kids and alienate her husband Kevin. Leslee, at sea in a life she doesn't recognize, turns to her longtime friend Veronica Moore for help. Along with her doctor Alex Whitfield, Veronica is one of the few people who are aware of Leslee's disorder. With their help, Leslee must find the strength to hold onto her true identity and to recover the family that she is on the brink of losing. *Shadow in the Mirror* reaches beneath the surface of one woman's life and peers into the mirrored image of her soul to tell a story of love and forgiveness. *Cartoons Magazine*,1916 **The Shadow of the**

Second Mother Prophecy Coles,2015-02-20 *The Shadow of the Second Mother* explores why there has been such little interest in psychology, social history, and biography in the important contribution that second mothers, such as wet nurses and nannies, have had upon the emotional life of the children they have nursed. For the last three thousand years and throughout most civilisations, they have nurtured the children of the privileged and kept alive the abandoned and unwanted child, and yet there has been a profound silence surrounding the influence they may have had. The author explores the lives of several well-known people who have been wet-nursed, such as Michelangelo, Rousseau, Jack London, Nabokov, and Klein. She speculates

that they all were affected emotionally by their second mother and concludes that a universal feature of such delegated mothering seems to be that the bond between mother and child is broken and the child may be left with a life long distrust of close relationships In *The Shadow of the Second Mother* Coles combines an exploration of attachment theory with neurology making it possible to give an explanation as to why these important figures have lain unnamed and ignored in our social and psychological consciousness This intriguing new approach to an ancient practice will be fascinating reading for psychotherapists psychoanalysts sociologist and students of social history

In the Shadow of the Greatest Generation
Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In *The Shadow of the Greatest Generation* not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way

Medea's Long Shadow in Postcolonial Contexts
Ana Filipa Prata, Rodrigo Verano, 2024-06-10 This interdisciplinary volume explores the ancient Greek myth of Medea and its global analogues found in other mythic and folk tales of deadly exiled women such as those of La Malinche and La Llorona examining the connections between these figures and their depictions from antiquity to modernity The book considers the figure of the foreign woman her exile fratricide and infanticide in its ancient Greek form and in global postcolonial receptions in a range of media including drama film novels and the visual arts The chapters illuminate the contradictions of considering the classical Medea as a central reference point for analysis of other female figures from peripheral territories while simultaneously acknowledging the insights that such comparisons can yield Emphasizing the ways in which Medea's seditious nature enables the establishment of an extensive and heterogeneous intertextual network with other mythic characters who represent a similarly disruptive role in their specific local historical and cultural contexts the book argues for a comparative analysis that is equally attentive to myths and folk tales from all regions These essays by scholars of classics comparative and world literatures and postcolonial studies represent a plurality of perspectives from different academic contexts in Africa Latin America North America and Europe and examine how different cultures have depicted women foreigners crime and abjection The foundations of Greek myth and subsequently of the classical tradition itself are interrogated from a postcolonial perspective In tracing the portrayals of Medea and other mythic women through the overlapping features of different female characters and plots and intertwining local cultural and literary materials with

broader debates this volume challenges Eurocentric narratives of power and cultural domination and works to decentralize the discussion of Medea from the exclusive domain of classical studies Medea s Long Shadow in Postcolonial Contexts will be of interest to students and scholars working on Greek tragedy and its reception as well as to those studying postcolonial and global approaches to literature culture and gender studies *Persona Q: Shadow of the Labyrinth - Strategy Guide* GamerGuides.com,2015-11-07 With the eerie tolling of the Yasogami High School bells 18 Persona users find themselves trapped inside the labyrinth of a strange other world There they meet Zen and Rei an odd duo who have lost their memories As the parties come together to seek an escape a mysterious shadow creeps ever nearer Persona Q combines the story and characters of Persona with the gameplay of Atlus dungeon crawling role playing series Etrian Odyssey You will find a plethora of information in this guide including A complete walkthrough of the game s story Detailed maps for every single floor of every dungeon in the game How to complete all of Elizabeth s Requests Lists for every item in the game Some tips on how to use the characters in your party The basics to understanding the complex Fusion system *Hotel on Shadow Lake* Daniela Tully,2018-04-10 Suspenseful and compelling Daniela Tully s Hotel on Shadow Lake is at once an intricate mystery an epic romance and a Gothic family saga When Maya was a girl in Germany her grandmother was everything to her teller of magical fairy tales surrogate mother best friend Then shortly after Maya s sixteenth birthday her grandmother disappeared without a trace leaving Maya with only questions to fill the void Twenty seven years later her grandmother s body is found in a place she had no connection to the Montgomery Resort in upstate New York How did she get there Why had she come Desperate for answers Maya leaves her life in Germany behind and travels to America where she is drawn to the powerful family that owns the hotel and seemingly the rest of the town Soon Maya is unraveling secrets that go back decades from 1910s New York to 1930s Germany and beyond But when she begins to find herself spinning her own lies in order to uncover the circumstances surrounding her grandmother s death she must decide whether her life and a chance at true love are worth risking for the truth **The Shadow of the Empress** Larry Wolff,2023-05-02 A beguiling exploration of the last Habsburg monarchs grip on Europe s historical and cultural imagination In 1919 the last Habsburg rulers Emperor Karl and Empress Zita left Austria going into exile That same year the fairy tale opera Die Frau ohne Schatten The Woman Without a Shadow featuring a mythological emperor and empress premiered at the Vienna Opera Viennese poet Hugo von Hofmannsthal and German composer Richard Strauss created Die Frau ohne Schatten through the bitter years of World War I imagining it would triumphantly appear after the victory of the German and Habsburg empires Instead the premiere came in the aftermath of catastrophic defeat The Shadow of the Empress Fairy Tale Opera and the End of the Habsburg Monarchy explores how the changing circumstances of politics and society transformed their opera and its cultural meanings before during and after the First World War Strauss and Hofmannsthal turned emperors and empresses into fantastic fairy tale characters meanwhile following the collapse of the Habsburg monarchy after the war their real life counterparts removed
