Words on Cassette ,1992 Nurturing Your Child's Soul, Spirit and Body Susie Turdo,2013-11-30 Loving insightful Christian parenting book with personal examples Pass the Faith, Please Lori Borgman,2004 Children Do Not Live by Macaroni and Cheese Alone As a parent you have roughly eighteen years to imprint life s basic lessons onto the heart of your child from the need to put the milk back in the refrigerator to the value of turning in school assignments on time Above all you want your child to have a dynamic living faith a rock solid belief system How does a parent ascend to such lofty heights while tethered to piles of laundry unpaid bills and a yapping dog It s easier than you may think Just as Christ did with the disciples parents impart crucial lessons in the midst of ordinary everyday life So pull up a chair and discover how you can turn seemingly unremarkable daily moments into opportunities to instill in your child a truly remarkable faith The Natural Way to Feed Your Child's Spiritual Hunger Pass the Potatoes Pass the Meatloaf Pass the Faith Since your child was a tiny baby you have been lovingly providing food for his or her body stimulation for the mind love for the heart and truth for the spirit Yet it is as you go about the familiar rituals of life in the very holiness of the mundane that you may best teach your child about God and His ways Using the memorable metaphor of the family dinner table where napkins illustrate the power of forgiveness and placemats protect our tables as Scripture protects our children's souls author Lori Borgman illustrates

how to make the most of the natural teaching times in daily life and find creative enjoyable ways to interweave spiritual nurture with the struggles and joys of everyday living The MacArthur Bible Studies John MacArthur, 2000-07 These first four study guides in a 16 volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur Bible Studies are an invaluable tool for Bible students of all ages What the Bible Says about Parenting John MacArthur, 2000 More than ever Christians need to know what the Bible actually teaches about parenting and put it into practice Parents today seek answers from child experts self help books or equally confused friends But even the experts portray modern day childbearing as a minefield strewn with psychological dangers and emotional hazards What the Bible Says About Parenting is not a book on child psychology nor is it proposing a new parenting method It is simply presenting the principles of biblical parenting with as much clarity as possible John MacArthur a leading expert on the Bible and an experienced pastor teacher father and grandfather goes into depth on such vital biblical parenting subjects as these Four helpful principles of communication Effective methods to discipline wisely and effectively with positive results Simple principles for identifying changing and developing habits in your children I m convinced that if Christian parents understand and apply the simple principles Scripture sets forth they can rise above the trends of secular society and bring up their children in a way that honors Christ in any culture and under any circumstances John MacArthur I Believe in Jesus John MacArthur, 1999 A wonderful tool to assist parents in leading their children to accept Christ Tells the story of God's plan of salvation from creation through the life death and resurrection of Christ Helps children see God's plan for their lives Includes a salvation prayer and page for child and parent to sign and date regarding their decision Joining Children on the Spiritual Journey Catherine Stonehouse, 1998-03 Analyzes the spiritual formation of young children and calls for renewed attention to scripture and the involvement of families in the process John MacArthur's a Faith to Grow on Bible John MacArthur, 2005 In this latest addition to the Faith to Grow On series the simple text of the International Children's Bible is combined with the words of wisdom from well known and trusted Bible teacher John MacArthur The interactive features along with the easy to understand text of this just for kids translation makes the Faith to Grow On Bible a Bible kids will call their own Interactive features include Faith Builders Words to Grow On Faith Energizers Prayer Passages Bible reading plans What Is and How to Use the Bible article Bible Heroes color insert pages ICB dictionary The Soul of the Child Michael Gurian, 2002-11-01 With The Wonder of Girls and The Wonder of Boys bestselling author Michael Gurian presented his groundbreaking views of parenting Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children's souls A revolutionary vision for parents and educators alike indeed for

all who love children The Soul of the Child is a deft blend of inspiring stories common sense and scientific observations that demonstrates what the soul is and how it works This insightful and groundbreaking book urges its readers to become aware of our children's divine inheritance and learn how to nurture that divinity Sensible and informed it shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion security discipline humility and enlightenment The Soul of the Child is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the very life of the human soul And it couldn t have come at a better time Sacred Parenting Gary Thomas, 2017-08-29 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children profoundly alters us forever Even when the journey is a rough one God uses the experience to train shape and love us Sacred Parenting is unlike any other parenting book on the market This is not a how to book that teaches readers the ways to discipline their kids or help them achieve their full potential Instead of a discussion about how parents change their children Sacred Parenting demonstrates how God uses children to change their parents Stepping beyond the overly tilled soil of method books parents can learn a whole new side of parenting You ll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God The lessons that Gary Thomas bestselling author of Sacred Marriage offers are timeless But in this edition Thomas adds in some additional insights and stories that he s learned and lived over the past fifteen years of his own parenting He has found that the lessons have remained much the same but there are new applications for the readers in this generation who are just now coming to his book
