Lawson, 2012-03-22 How

important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation *Building a Youth Ministry that Builds Disciples* Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they re doing right now in the youth group the reality is

that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a wholehearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a date with God: a delightful evening that involves music, laughter, food, and light conversation. But what scripture calls us to is not a one-night stand with God but a lifelong love of God that endures. Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book, ideal for busy youth workers, they'll be equipped to build a youth ministry that instills that lasting faith in its students.
