Paulette Ramsay, 2021-03-25 There have been many great and enduring works of literature by Caribbean authors over the last century The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories overflowing with life and acute observations about society *Empire Windrush* has long had an iconic status in British and Caribbean history This book largely told in the form of diary entries and letters home reveals the day to day experience of the first immigrants and the far reaching effects on their lives and relationships Jen has left a young daughter Sunshine in Jamaica and in these letters to her daughter she attempts to make sense of the dislocation and displacement she experiences her response and the effect on those close to her A companion novel to *Aunt Jen Letters Home* is a penetrating and devastating study of the immigrant experience in 1960s Britain and its long lasting consequences Suitable for readers aged 16 and above **The Nutmeg's**

Curse Amitav Ghosh, 2021-10-14 The author of *The Great Derangement* finds the origins of our climate crisis in Western colonialism's violent exploitation of human life and the environment A powerful work of history essay testimony and polemic Amitav Ghosh's new book traces our contemporary planetary crisis back to the discovery of the New World and the sea route to the Indian Ocean *The Nutmeg's Curse* argues that the dynamics of climate change today are rooted in a centuries old geopolitical order constructed by Western colonialism At the center of Ghosh's narrative is the now ubiquitous spice nutmeg The history of the nutmeg is one of conquest and exploitation of both human life and the natural environment In Ghosh's hands the story of the nutmeg becomes a parable for our environmental crisis revealing the ways human history has always been entangled with earthly materials such as spices tea sugarcane opium and fossil fuels Our crisis he shows is ultimately the result of a mechanistic view of the earth where nature exists only as a resource for humans to use for our own ends rather than a force of its own full of agency and meaning Writing against the backdrop of the global pandemic and the Black Lives Matter protests Ghosh frames these historical stories in a way that connects our shared colonial histories with the deep inequality we see around us today By interweaving discussions on everything from the global history of the oil trade to the migrant crisis and the animist spirituality of Indigenous communities around the world *The Nutmeg's Curse* offers a sharp critique of Western society and speaks to the profoundly remarkable ways in which human history is shaped by non human forces *The Collected Letters of Rosina Bulwer Lytton Vol 1* Marie Mulvey-Roberts, 2024-10-28 In 1858 Rosina Bulwer Lytton was incarcerated in a lunatic asylum by her husband the eminent Victorian politician and novelist Edward Bulwer
