Nutricines Food Components In Health And Nutrition:

Nutrition-Based Health Clifford Adams,2008-12-01 As a result of an increasing reluctance to use medication to maintain animal health this in depth examination evaluates nutrition based health as a strategy to avoid disease and maintain their health

Nutricines Clifford A. Adams,1999-01-01 This book introduces this wholly new concept in food components The author following years of research describes the nature and mode of action of nutricines and highlights their significance in disease avoidance and health maintenance In his view food should now be seen as being made up of two groups of components nutrients and nutricines

Ruined by Excess, Perfected by Lack R. Patton,2011-02-01 Discussing the worldwide problem of overweight pets this comprehensive writing explains how behavior both of pets and people is a critical aspect of any proper diet It discusses how pets are poorly adapted to cope with a constant excess of soluble carbohydrate a common feature found in the majority of dry kibble diets Therefore this reference shows how oftentimes while pet owners believe that they are providing the best nutrition for their pets they are actually silently robbing their companions of health and longevity in their failure to restrict carbohydrates In response to this situation this informative book draws on anthropology genetics and behavior to establish logical nutrition thereby educating pet owners on how they can improve the length and quality of their pets lives
